Mr. McCarthy,

I'm writing on behalf of Summit-University Planning Council to offer our support for the proposal for improvements at the Martin Luther King Center. This park is important to the Summit-U community, as many families rely on its facilities. It is a great priority that we maintain the parks and play areas in our community.

The MLK park is positioned in such a way that it serves a broad diversity of people, of many ages, races, and class backgrounds. It is near our historic preservation district and a part of the historic Rondo community. This is an important space in Summit-U and we wholeheartedly support funding any work to improve it.

Please feel free to contact me directly with any questions. I can be reached by email at irna@summit-u.com or by phone at 651-228-1855.

Thank you,

Irna Landrum
