**SUBJECT: 2023 CAPITAL IMPROVEMENT BUDGET (CIB) PUBLIC HEARING**

I have included a notice for the CIB Committee's public hearing on 2024 – 2025 Capital Improvement Budget proposals. The hearing will be held Monday, June 12, 2023, at 5 p.m. in the Multipurpose room of [Rondo Community Library](#), located at 461 Dale St N, St Paul, MN 55103. The CIB Committee will finalize its recommendations to the Mayor and City Council after the hearing.

The purpose of the public hearing is to give the community an opportunity to voice opinions, for or against, any project that has been proposed during the 2024-2025 CIB process. The CIB Committee will take what is said at the public hearing and use it as part of the process to finalize the committee's recommendations to the Mayor and City Council.

The City encourages proposers and other interested parties to speak about 2024-2025 recommended CIB funding, and CDBG proposals at this meeting. To ensure that the meeting runs smoothly, speakers will be limited to two minutes each. Additionally, we encourage groups to nominate one or two representatives to speak on behalf of the group to minimize repetition.

Please contact me if you have any questions.

Thank you,
