In keeping with the police department's philosophy on community policing, the need to work with each of the 17 district councils is vitally important and necessary. Information on crime trends, neighborhood issues and safety concerns must be distributed to each district council and members of the public in order for the police and community to be effective at combating crime. It is with this cooperation, the police, district councils - and the community are able to work together and successfully confront crime and safety issues in our city.
