SAINT PAUL INTRO TO EMS (EMERGENCY MEDICAL SERVICES)

WHAT THE PROGRAM OFFERS:

Intro to EMS builds reading, studying, and test-taking skills using vocabulary and terminology common in the EMS field.

Students receive:

- Training in anatomy, physiology, taking vital signs and CPR.
- An understanding of the pathway to certification as an Emergency Medical Technician (EMT).
- Support services through Community Action Partnership of Ramsey Washington Counties.

Individuals interested in applying to the EMS Academy's EMT Basic course are strongly encouraged to take Intro to EMS.

Persons of bilingual ability are encouraged to apply.
The EMS Academy wants YOU!

PROGRAM REQUIREMENTS:

- Receive score of 7.0-12.5 on TABE Reading D (testing administered at registration)
- Pass a criminal background check
- Be able to walk/stand for long periods of time
- Have an interest in entering the EMS field

TO REGISTER:

Apply in person at the Hubbs Center (1030 University Ave, Saint Paul) Mondays or Wednesdays 9:00-11:30 or 2:00-6:00
