Workshop #1- July 16, 2015

4:30 - 6:00-5:30 (RAINED OUT!!)

Attendees: 4 adults, 10 kids

4 additional surveys completed

Comments:

- a new play area will be great
- sand is a problem
- shade is needed
- path through the park is good for bike riding
- add tables and benches
- include swings!!
- existing table is not used (too far away)
- small area for sand digging is good

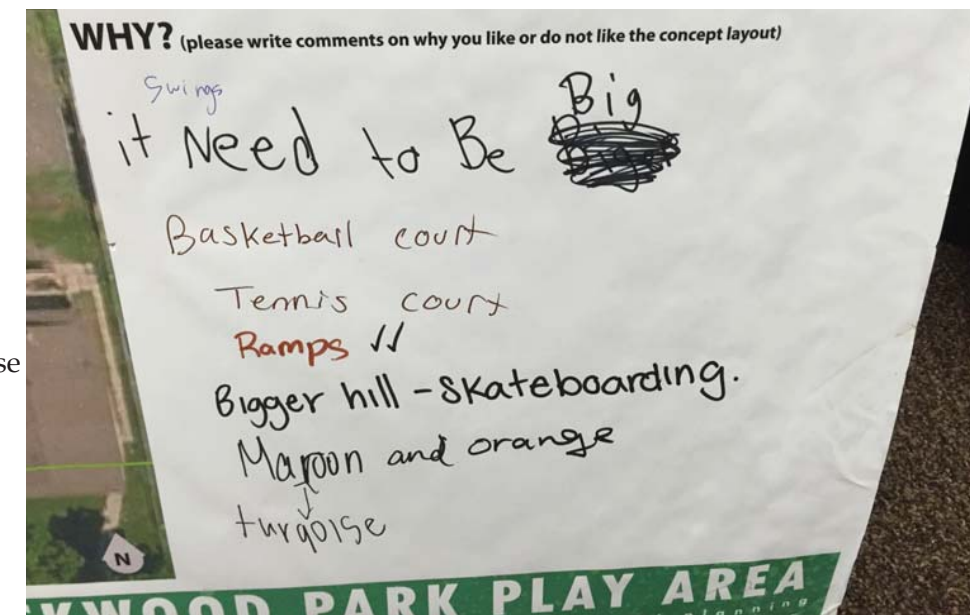

Workshop #2- July 21, 2015

3:30-4:30

Attendees: 5 adults, 15 kids

Comments:

- activities for older kids (skate park?)
- remove tube slides
- swings desired!!
- remove sand (heard this over and over)
- preferred color scheme: Maroon, Orange, Turquoise
- add shade
- tables for roaming rec program
- add a new bike rack
- add a basketball court
- rubber surfacing preferred
- net climbers are not that great (no place to rest)
- splashpad?
- add a sign

Dot exercise showing most preferred options:
