Dear Central Corridor Station Area Planning Steering Committee Member:

Thank you for your willingness to be nominated as a member of the Planning Commission's Central Corridor Station Area Planning Steering Committee. I have chosen to appoint you to this important community planning group that will oversee the station area planning process. Congratulations! I am very pleased with the variety of skills and backgrounds of the individuals nominated. We have asked Terri Thao of the Planning Commission to serve as co-chair, along with Brenda Bailey, of Model Cities, Inc. as the community co-chair. A list of those who have been appointed is attached.

Again, thank you for your willingness to volunteer your time for this important steering committee. Please contact Jess Rosenfeld from the Department of Planning and Economic Development if you have any questions or need to correct any of your contact information (651-266-6560 or jessica.rosenfeld@ci.stpaul.mn.us). The first meeting of the steering committee will be Thursday, October 29th, from 4:00 – 6:00 p.m. at the Central Corridor Resource Center, 1080 University Avenue West.

The Central Corridor is a tremendous opportunity for Saint Paul. This next phase of station area planning work will be an important continuation of the work already completed as part of the *Central Corridor Development Strategy*, as well as previous University Avenue and Downtown station area planning. We look forward to the results of the exciting work you are about to undertake.

Sincerely,

A handwritten signature in black ink that reads "Brian Alton".

Brian Alton, Chair
