

Steps for finding recycling information, neighborhood contact information and ward information:

1. Visit the web link below and click on the layer you wish to view (e.g. recycling information, district council or council ward):

<http://stpaul.maps.arcgis.com/apps/Viewer/index.html?appid=a747be66349b452489b1baf577b000da>

2. Enter your address (for example, 15 Kellogg Blvd. W) and click left with your mouse – you will view a screen with the information (in this case, recycling schedule and district council contact to make to pick up blue bins)
