

On August 4, 2010, the LMSC met at the Highland Library and Hillcrest Recreation Center.

We were welcomed by Debbie Willms, Deputy Director of the Saint Paul Public Libraries and Pat Gerlach from Libraries. We were shown a presentation by Linda Flynn and Toni Smith from the Parks & Recreation Department about the recreational services programs offered.

Patricia Gerlach and Patty Krezowski from Highland Library gave the LMSC a tour of the Highland Library. Joe Loots gave the committee a tour of the Hillcrest Recreation Center.

It was a very informative morning. Attached are a few pictures from our meeting.
