

On July 7th, 2010, the LMSC met at the Saint Paul Como Zoo and Conservatory. We were welcomed by Michelle Furrer, Manager Como Zoo and Conservatory, Ron Haight Parks Safety Director and were given a tour of the Polar Bear Exhibit and Horticulture areas lead by Michelle Furrer. We were also observed the Zoologist's doing an 'enrichment activity' with one of the Polar Bears. It was a very informative morning. Attached are a few pictures from our meeting.
