#### **Description of Saint Paul's Form of Government**

The City Charter provides for a municipal corporation governed by an elected chief executive, the Mayor, and an elected legislative body, the City Council. The form of government is commonly referred to as "strong Mayor-Council". Elections are held in November of odd-numbered years, with a four-year term for the Mayor and four-year terms for Council members. Each of the seven Council members is elected from a separate ward. The seven wards are approximately equal in population.

The Mayor recommends appointments for department/office directors and members of boards and commissions for Council approval, and is responsible for the direction and control of departments and offices. The Mayor recommends policies and budgets to the City Council. The Mayor exercises all powers and performs all executive duties given by the city charter, city ordinances and state laws. The Mayor has the authority to veto Council actions. The Council can override the Mayor's veto with a minimum of five votes.

The Council is the legislative body, setting policies by enacting ordinances and resolutions. It can monitor and maintain liaisons with community groups to assure adequate citizen participation. The Council analyzes, adopts and monitors the city budget. Council members prepare and promote the City's legislative program. They serve on boards and commissions of certain intergovernmental agencies.

#### **Budget Process**

The budget process is designed to conform with Minnesota law, the City charter and the legislative code. The process to develop the budget commences in February.

January - March

The budget for the following year is finalized during this time. This includes preparing, printing and distributing books reflecting the adopted budget. The accounting section of the Office of Financial Services prepares the annual financial report for the previous year. During this time, the "base budget" for the upcoming year is identified.

April - June

Forms, instructions, printouts and the Mayor's guidelines are distributed to departments. These tools are used to plan for and develop operating budgets. Department management and staff identify objectives, performance indicators and the resources needed to accomplish goals. Services are reviewed to determine purpose, need and cost-saving ideas.

Department requests for the following year's budget are submitted to the Office of Financial Services in June. After that, each department's budget is analyzed by the OFS budget staff. The Mayor meets with the department directors to discuss their needs and to ensure that budgets meet the service level and taxing objectives that have been established for the City.

July - September

The budget staff finalizes the Mayor's recommendations and produces the Mayor's proposed budget. The Mayor then submits the recommended budget to the City Council by August 15, as required by the City Charter.

In August, the City Council begins reviewing the Mayor's proposed budget. The Council holds meetings with department directors, management and staff to obtain a clear understanding of the department's goals, service priorities and objectives that are represented in the proposed budget. As required by state law, the City Council sets the *maximum* property tax levy in September. Governmental units can adjust budgets, resulting in property taxes that are less than or equal to, but not more than, the maximum levy.

#### October - December

The City Council holds public hearings on the budget. Ramsey County mails property tax statements to property owners indicating the *maximum* amount of property taxes that the owner will be required to pay. These statements also indicate when the budget and property tax public hearings will be held. State law requires the City to hold a meeting to give residents the opportunity to comment on the information in their notices. This meeting is held in early December. The City Council then adopts a budget and tax levy for the City. The adopted budget represents changes made by the City Council to the Mayor's proposed budget. The Mayor has line-item veto authority over the Council-adopted budget.

#### **Content and Other Publications**

#### Information Included

This publication contains information on City of Saint Paul operating and debt service budgets. Operating budgets include the general fund and 25 special funds. The capital improvement budget (CIB) is included in a separate document. The Housing and Redevelopment Authority (HRA), Water Utility, RiverCentre, Library Agency and Port Authority budgets are not included because they are separate entities.

#### **Purpose**

The goal of this report is to provide taxpayers with an easy-to-use guide to City spending. We have tried to answer the question "Where does the money go?" by providing tables and graphs to display this information. As a staff, we always struggle with what level of detail to show. If we show too little detail, our publications will not answer the questions people most commonly ask. If we show too much detail, the budget documents become extremely large and expensive to print. Poring through them can be daunting, tedious and time consuming.

We hope that this summary will help make taxpayers aware of where the City's resources come from and where they go. We hope this information will help taxpayers see how state revenues and decisions on property tax classification affect local property taxes. They will understand better how the property tax base affects property taxes. They will also see how difficult it is for decision makers to cut the budget without including some of the services taxpayers tell us they hold most dear, such as police, fire, libraries and parks. These services are such a large portion of the budget, they are difficult to ignore. We believe heightened taxpayer awareness of City programs will increase the quality of public debates on spending and taxes and, ultimately, the quality of public policy.

#### **Budgets, Not Spending**

Unless otherwise noted, the numbers in this document are *budget* amounts, not actual spending. Actual spending amounts for past years can be found in a publication called the Comprehensive Annual Financial Report (CAFR). See the following information.

#### Other Publications and Information

The Office of Financial Services (OFS) publishes this summary document each year to display the Mayor's proposed budget. However, to keep printing costs down, it is only available on a limited-distribution basis. OFS also publishes a brochure which contains budget data and demographic information. As time permits, we update a statistical summary with trend information over longer periods of time. All of these publications are available for viewing in Saint Paul Public Libraries, in the Government Documents Section, or by calling the Office of Financial Services at 651-266-8000. # City and Library Agency Composite Summary

#### **Overview of Combined City and Library Agency Budgets**

With the creation of the independent Saint Paul Public Library Agency beginning with the 2004 budget year, detailed information about library budgets and activities is now presented in a separate document, and is generally excluded from the City budget information contained in this publication.

The information provided in this section is intended to give a high-level overview of the combined City and Library Agency budgets and permit overall year-to-year comparisons to be made more easily. Detailed information about the Library Agency budget will be made available in a separate publication published by the Agency.

#### **Summary - Spending and Financing**

#### 2013 Adopted Spending By Major Object

#### 2013 Adopted Revenue By Source

## **City General Fund**

#### **General Fund – 2013 Adopted Budget**

**Purpose:** The General Fund is the principal financial support for such basic city services as the police and fire departments, parks and recreation, and general government operations (i.e., Mayor and City Council, human resources, finance and other support services). The major financing sources for this fund are property taxes, local government aid, franchise fees, and other revenues not dedicated to a specific purpose. The tables and graphs on the following pages detail the General Fund's adopted 2013 spending and financing plan.

#### **Financing Highlights**

The major financing sources for this fund are:

- ❖ Property Taxes 33.2%
- ❖ Local Government Aid 22.7%
- ❖ Franchise fees 11.4%
- ❖ Other revenues, aids, and user fees 32.7%

Certified Local Government Aid (LGA): Local Government Aid has been lower and less predictable since state aid cuts that began in 2003. Between 2008 and 2011 LGA has been reduced mid-year ranging from \$5 million in 2008 to \$12.2 million in 2011. During the 2011 special legislative session, the legislature permanently reduced LGA financing for Saint Paul to \$50.3 million, which represents a \$12.2 million reduction from the 2011 certified amount and a nearly \$26 million annual reduction from the amount certified in 2003.

**Property Tax Levy:** Financing for the proposed budget includes an overall levy increase of \$1.9 million for a total of \$101.2 million. 73% of the total will finance General Fund operations and 17% is for the Library Agency. The remainder is used for City debt service or is levied on behalf of the St. Paul Port Authority.

City Franchise Fees: Estimated 2013 financing remains stable with small increases in cable and District Energy deferred fees.

Paramedic Fees: The adopted budget for 2013 is expected to increase slightly after several years of flat to declining revenue. Improved collections and an improved agreement with Blue Cross/Blue Shield are offsetting a continued shift to Medicare/Medicaid runs, which are reimbursed at a lower rate.

#### **Budget Issues and Challenges**

Rate of Spending Growth: Saint Paul's General Fund budget as adopted will increase by \$8.4 million, or 3.9% relative to 2012. Cost drivers in the budget are primarily associated with an increase in personnel costs, the planned expiration of public safety personnel grants, opening new facilities, including the Gorilla Forest exhibit at Como Zoo, significant investments in technology infrastructure and improvements to the City's environmental health program and the police crime lab.

Property Tax Base: Saint Paul has a local property tax base that largely consists of residential properties, including both owner-occupied and rental units. In total 52% of the City's total local property tax levy (excluding fiscal disparities) falls on residential property. This is due to a variety of reasons, some longstanding and others more recent. Historically, as the home to many tax-exempt educational, medical, and state government institutions, nearly a third of the city's property has been exempted entirely from paying city property taxes. During much of the past decade, rapid inflation in home values pushed up the share of taxes falling on homeowners and renters (through their rent payments). However, declines in residential property values recently have somewhat reversed the trend.

#### **General Fund – 2013 Adopted Budget**

State Budget Instability and Unpredictability of LGA: Local Government Aid is a significant revenue source for the City's General Fund, accounting for 21% of General Fund and Library Agency revenues. While the total share of the city budget dependent on state payments has dropped significantly since 2003, the future of state Local Government Aid (LGA) remains a key variable in the City's ability to provide basic services. Since late 2008, the State has unalloted, or otherwise reduced LGA by more than \$45 million over a four year period, which has caused a series of budget challenges and the reduction of important City services. Enacting measures at the state level to ensure more balanced and predictable revenues would reduce fluctuations in local aid appropriations and help make future local budget planning and service delivery more predictable for both City officials and the citizens of Saint Paul.

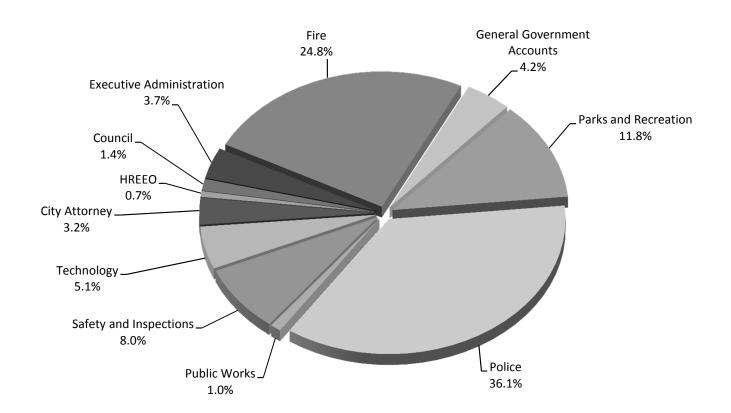

Cost Pressures: The costs the City bears as an employer (wages, benefits, workers' compensation, etc.) compete for service delivery dollars. The City must continue to find ways to prudently and responsibly manage these costs in order to maintain service delivery levels and maintain the integrity of the City's finances. The largest General Fund expense is employee wages and benefits – 81% of all general fund spending is for personnel costs. The City continues to work hard to find ways to prudently and responsibly mange these costs in order to maintain service delivery levels and maintain the integrity of the City's finances.

Maintaining Adequate Financial Reserves: From 1994 -2005, the City spent from its General Fund balance to finance a share of the annual operating budget, which decreased the fund balance from its peak of 31% of subsequent year spending in 1998 to just under 15% in 2005. In 2006, the City enacted a fund balance policy mandating that the General Fund's balance be at least 15% of combined General Fund and Library operating spending. Despite significant mid-year reductions of LGA in 2008, 2009, 2010 and 2011, the City continues to successfully manage fund balance consistent with the adopted policy, including solving a 2011 mid-year budget deficit of over \$15 million without dipping into fund balance. The 2013 adopted budget maintains compliance with the fund balance policy, while continuing to utilize financial management best practices by maintaining structural balance without relying on use of fund balance or other one-time resources to fund ongoing spending commitments.

Special fund budgets are designed to track revenues and expenditures for specific designated purposes. Special fund budgets are not supported by property taxes. Rather, special fund spending is supported by user fees, assessments and grants, which are typically restricted in some way. The restrictions require accounting in separate funds, which include operating funds, project funds, debt service funds and trust funds.

The city's general debt service budget provides for the principal and interest payments on its general obligation bond issues. The budget consists of two sets of appropriations: 1) an amount needed to meet the budget year debt service obligations, and 2) and amount needed to meet the obligations of the first half of the following year. Therefore, the amount appropriated for general debt service exceeds the amount actually spent in the budget year. This additional amount remains in fund balance to use as a financing source for the subsequent year's debt service payments. While complicated, this budget structure solves a cash flow problem for the city. The city receives state aids and property taxes mid-year and at the end of the year. If the city did not budget for subsequent year debt service payments, it would lack the cash to make the debt service payments due before the city receives its major cash infusions each year.

#### **Debt Service**

#### **Department Description:**

The Debt Section of the Office of Financial Services sells City debt instruments at the lowest possible cost, manages existing City's debt, researches and implements alternative financing scenarios for major capital projects to ensure savings and manages all facets of the bond sale and post-sale compliance process. Staff works with other City staff to ensure elected officials are aware of all options for financing various projects, including the costs and benefits associated with each.

- Total City Debt Budget: \$58,054,639
- Total FTEs: 1.90
- AAA bond rating from Standard & Poor's
- "Strong" financial management rating from Standard & Poor's.
- Aa1 with stable outlook bond rating from Moody's
- 74% of general obligation debt is retired in 10 years; nearly 100% in 20 years.

#### **Department Goals**

- Develop and implement financing alternatives for the City
- Sell City debt instruments at the lowest borrowing cost
- Ensure accurate and timely post-sale debt portfolio management

#### **Recent Accomplishments**

- City maintained its AAA bond rating from Standard and Poor's and Aa1 by Moody's during a challenging economy when credit downgrades were prevalent.
- Saint Paul is one of only 211 municipalities nationally with a AAA bond rating.
- OFS manages a \$535 million debt portfolio consisting of City General Obligation and City Revenue bonds.
- Successfully sold Sewer Revenue and General Obligation bonds with record low interest rates (\$27.75 million in FY12 to-date), utilizing various financing tools.
- Accurately paid existing debt on time and in full.
- Complied with ongoing disclosure and arbitrage requirements.

# **Major City General Fund Revenues**

### **Property Taxes**

Property tax revenues account for 33% of general fund revenue. In any given year several factors affect how much an individual property owner pays in city property taxes, including the following:

- City spending and financing needs.
- Size of the tax base.
- Composition of the tax base.

#### **City Spending and Financing Needs**

Property tax is the primary revenue source that the Mayor and City Council control. The state establishes guidelines by which property taxes are administered, including how the tax burden is spread among different types of properties, but local elected officials have discretion over how much total property tax revenue to collect. As a result, city spending pressures and the availability of other funding, like state aid and local fees, often dictate the size of the property tax levy in any given year.

| St. Paul Taxable Market Value |                  |  |  |
|-------------------------------|------------------|--|--|
| Payable in 2011               | \$20,065,253,800 |  |  |
| Payable in 2012*              | \$18,163,450,800 |  |  |
| Payable in 2013               | \$17,086,162,700 |  |  |

| St. Paul Net Tax Capacity |               |
|---------------------------|---------------|
| Payable in 2011           | \$247,313,481 |
| Payable in 2012*          | \$226,059,848 |
| Payable in 2013           | \$213,959,145 |

<sup>\*</sup>Note: Approximately 6% of the decline in taxable market value and net tax capacity between 2011 and 2012 was due to the Market Value Exclusion program adopted by the 2011 state legislature. More traditional factors related to economic conditions contributed to the remaining decrease.

#### **Property Tax Base**

The size of the property tax base is a function of taxable market value and the composition of the tax base. Yearly changes in market values are attributable to many factors, the most important of which is the demand for both residential and commercial property. As property values change, the size of the tax base also changes proportionately. A larger base allows for a broader distribution of the tax burden, which results in a lower tax rate.

#### **Tax Base and Class Rates**

The composition of the tax base determines the relative distribution of the tax levy among taxpayers. The State of Minnesota has established a class rate system which allocates different shares of property tax burden based on the use of a property (see chart). Apartments, residential homes, and commercial/industrial properties all have a different class rate. A higher class rate will result in a relatively higher share of tax capacity. Based on the class rate structure, one dollar of commercial/industrial property value has a greater relative tax capacity than one dollar of residential property value.

#### 2013 adopted Budget and Levy

The 2013 adopted City levy is \$101,207,852 which is a 1.9% increase from 2012. Of the adopted levy, \$99.4 million will fund city activities. \$72.1 million will go to the City's general fund, \$10 million for debt service, and \$17.3 million will fund the St. Paul Public Library Agency. The City also levies taxes on behalf of the St. Paul Port Authority, whose adopted 2013 levy is \$1.8 million.

#### Tax Dollars and the Services They Buy

Taxpayers often wonder what happens to the property taxes they pay. Here is an example for a typical home in Saint Paul in 2013:

The property tax bill is a combined statement covering the City of Saint Paul, School District 625, Ramsey County, and other "special taxing districts" such as the Metropolitan Council and local watershed districts. For preliminary 2013 estimates, a home with a taxable value of \$133,700 is estimated to have a property tax bill of \$1,797.24 before factoring in the school referendum levy approved by voters this fall..

Approximately 29% of the total property tax payment (excluding the school referendum levy) for taxes payable in 2013 pays for City services – \$514 in this example.

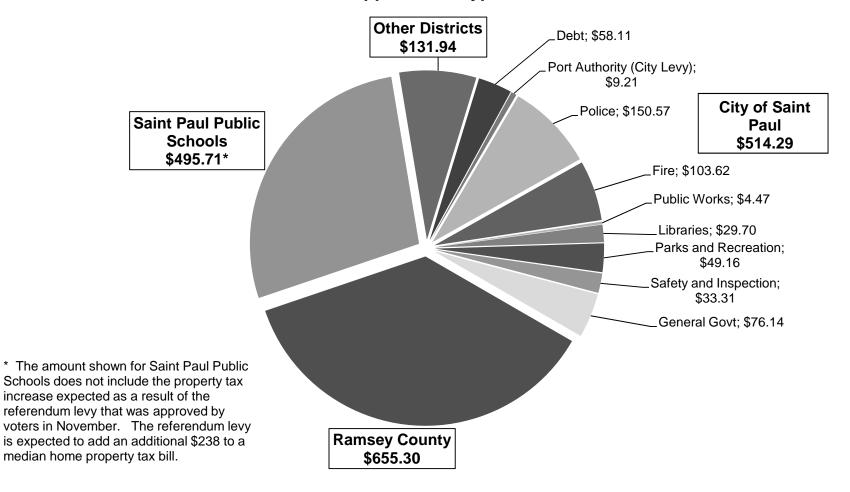

For this particular home, the property tax payment of \$514 to the City would include the following amounts for key city services:

- \$150 per year for police services
- \$103 per year for fire and emergency medical services
- \$49 per year to operate and maintain the parks and recreation system
- \$29 per year to operate and buy materials for the Saint Paul Public Libraries
- \$58 per year for capital debt service-the cost of building new park and library facilities, playgrounds, and street construction

Property taxes cover only a small part of the total cost of services. In total, property taxes supply only about 17% of the City's total revenue and cover about 33% of the general fund budget. In comparison, the City's total adopted 2013 property tax levy for all city purposes—approximately \$99.4 million—is only slightly higher than the \$98.7 million operating budget of the Police Department.

### **Local Government Aid (LGA)**

Local Government Aid was initiated in 1971 as part of the "Minnesota Miracle", and was intended to provide property tax relief to Minnesota cities. The state provides Local Government Aid to cities throughout Minnesota based on a "need/capacity" formula that compares each city's tax base to an estimated level of spending needs based on local conditions. Cities which will not have enough local revenue capacity to meet their spending needs under this formula receive Local Government Aid.

For many years, LGA was adjusted annually based on inflationary growth. In 2003, the Governor and Legislature approved changes to the funding formula and levels that greatly limited St. Paul's LGA. LGA has continued to remain a volatile revenue source since 2003 and has been reduced midyear in 2008, 2009, 2010 and 2011. During the special session in 2011, the legislature not only reduced LGA midyear, but also lowered the 2012 LGA allotment to a similar amount. Actual LGA funding received by the City is expected to remain flat for the third consecutive year in 2013.

### **Franchise Fees**

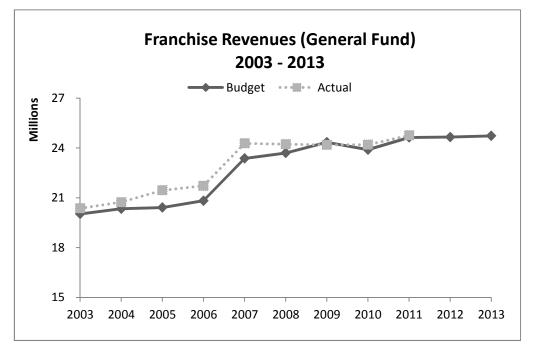

Utilities pay the City of St. Paul a fee for use of City streets and right-of-ways in delivering services to the citizens and businesses of St. Paul. This fee represents usage charges for City-owned assets that utilities may use or disrupt in the process of constructing, installing, and maintaining their distribution and delivery systems.

Under state law, utilities may pass on their fees to utility customers on monthly bills. For each utility, the franchise fee is based on a negotiated formula adopted by City Council ordinance. Most of this revenue goes to the General Fund, but some franchise revenue supports debt service or specific City programs.

#### St. Paul Franchise Agreements for 2013:

- Xcel Energy supplies natural gas and electrical service to St. Paul homes and businesses.
- Comcast provides cable television to St. Paul homes and businesses.
- **District Cooling**, part of District Energy, supplies cooled water for air conditioning in most of downtown St. Paul.
- **District Energy** provides heat to much of downtown St. Paul and electricity to Xcel Energy.
- Empire Builder is the heating and cooling utility serving the Empire Builder development north of downtown St. Paul.

### **Paramedic Fees**

The St. Paul Fire Department's paramedics and emergency medical technicians respond to nearly 27,000 emergency calls each year. Most of their calls require ambulance trips to hospitals from fires, accidents or other incidents. For these transportation and life support services, the Fire Department charges a series of fees. Most of these fees are paid through insurance, and are based on the prices of private providers and other municipalities. Medicare and Medicaid reimburse for paramedic services at a fixed rate below that of most providers, which can reduce the collected fee per run.

St. Paul is one of the few paramedic services not charging additional fees for high-level Advanced Life Support (ALS-2) services, including assisted breathing and other crucial life support functions. St. Paul also has one of the Metro area's lowest treatment fees for individuals who are treated and released at the scene of an incident.

Paramedic fees support the General Fund, which also supports the majority of spending on Fire and Safety Services.

### **State Pension Aids**

The state distributes aid to Police and Fire retirement programs in counties and municipalities based on fire and auto insurance premiums collected in the state. Taxes paid by insurers on those premiums are used to supplement police and fire pension contributions. St. Paul receives aid for Police and Fire pensions based on a number of factors:

- •the number of full-time firefighters and sworn police officers St. Paul employs
- •the uncovered liabilities (if any) of the police and fire pension funds
- •the premiums collected by insurance companies in Minnesota

Only fire and auto insurance premiums are used to calculate pension aid.

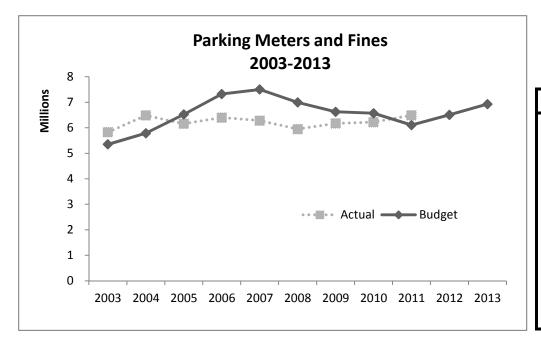

State aid is also given to support PERA, the pension fund that includes non-public safety City employees. The vast majority (91%) of state pension aid goes to support Police and Fire pensions. In 2013, pension aids are budgeted to remain stable at about \$6.3 million.

### **Parking Meters and Fines**

Parking meters and fines includes revenues from parking meter collections, fines from parking and traffic enforcement, as well as fees collected through the City's continuance for dismissal program. The City operates over 1,000 metered parking spaces in areas around St. Paul, and St. Paul Police enforce both parking rules and the state's traffic laws on St. Paul streets and highways. Meter payments are collected by a contracted vendor on behalf of the City, and fines are collected through the state court system. The courts retain 1/3 of the revenue to cover costs, and the remainder is transferred to the City.

### **Interest Earnings**

The City's investment pool earns annual returns based on two key factors: the investment balance of the pool (total amount invested), and the performance of the market. Interest earnings in certain Special Funds have also been awarded to the General Fund in past years.

The City's Investment Policy sets guidelines and restrictions on investments based on the duration of those investments and their relative risk. Investment objectives are **safety**, **liquidity**, **return**, and **loss avoidance**. The investment pool is currently invested in compliance with the City's Investment Policy and State statutes. State law restricts the types of securities municipal governments may invest in.

### **Hotel & Motel Tax**

The City charges a 6% tax on all room charges in St. Paul, in addition to the state sales tax. For hotels and motels under 50 rooms, the tax is 3%. The tax rate is set by state law.

The receipts from the hotel and motel tax are divided among the City's General and Debt Service Funds as well as the RiverCentre Convention and Visitors Authority (RCVA) and other City promotional efforts. Most of the revenue from the Hotel & Motel Tax is spent on efforts to promote the City as a destination for conventions and tourism, and to pay debt on visitor destinations like the RiverCentre. Of the 6% tax, roughly 1.65% goes to the General Fund to support City operations. In 2013, Hotel & Motel Taxes are budgeted to remain stable at about \$1.1 million.

#### **City Attorney's Office**

#### **Department Description:**

The Office of the City Attorney strives to deliver outstanding legal services to the City by:

- Providing sound legal advice and superior legal representation to City officials to help them achieve their goals.
- Defending the City in civil litigation matters and aggressively prosecuting civil claims involving the collection of taxpayer monies, public nuisance abatement, and other initiatives that preserve the City's livability and public safety.
- Providing public safety and maintaining the City's livability by effectively prosecuting adult misdemeanor and gross misdemeanor crimes in Saint Paul.

#### CAO's Portion of General Fund Spending

#### **Department Facts**

• Total General Fund Budget: 7,142,715

• Total Special Fund Budget: 1,103,017

• Total FTEs: 64.25

- The CAO handles over 10,000 misdemeanor and gross misdemeanor cases per year.
- Legal settlements & judgments paid in 2011 total \$940K.
- The CAO's Civil Litigation Division defends approximately 75 cases each year.
- More than 74% of civil lawsuits against the city have been resolved by obtaining favorable judgments or dismissals without any payments by the city.

#### **Department Goals**

- Aligning CAO resources to City and departmental priority outcomes.
- Holding criminal offenders accountable.
- Improving neighborhoods by increasing code compliance and by decreasing nuisance properties.

#### **Recent Accomplishments**

- Grant funding has significantly altered the processing of domestic assault cases where the potential defendant is gone on arrival. Reviewing these cases daily has cut the turnaround time from approx. 60 days to 8.5 days, raised charging rates from approx. 25% to 75% and increased conviction rates from approximately 70% to 80%.
- Since 2009 the City's Pilot Driver Diversion Program has assisted participants with obtaining a valid permit to drive while they pay off court fines & fees.
- Qualified domestic violence Related convictions on GOA cases have gone from a total of 35/year to a projected 140. Each year, over 100 more victims of domestic violence are being made safer & over 100 defendants are being held accountable for their behavior that otherwise would have escaped our grasp.
- Continued to implement The City of St. Paul Blueprint for Safety; continued to successfully manage the City's tort liability and outside counsel budgets & align CAO resources to City & department priorities.

#### **Budget Changes Summary**

Spending changes in the City Attorney's 2013 adopted budget are entirely due to current service level updates. This will allow CAO to continue activities such as the Joint Prosecution Unit, Community Prosecution Program, and Domestic Violence Blueprint, as well as general criminal, civil, and civil litigation activities.

### **Budget Changes Summary**

The Saint Paul City Council operations budget will continue to support the work of the City's Legislative body in 2013. Financing changes in 2013 include an adjustment to the funding support for Housing and Redevelopment Authority commissioners and staff. Relative to 2012 Adopted, Council operations will reduce spending through a variety of line-item spending reductions.

#### 2013 Adopted Budget

#### **Office of Emergency Management**

#### **Department Description:**

The Department of Emergency Management provides services to the community through education, training, outreach and disaster response. Emergency Management is the city department charged with creating the framework to reduce vulnerability to hazards and cope with disasters. Emergency Management seeks to promote a safer, less vulnerable city with the capacity to cope with hazards and disasters. Emergency Management protects communities by coordinating and integrating all activities necessary to build, sustain, and improve the capability to mitigate against, prepare for, respond to, and recover from threatened or actual natural disasters, acts of terrorism, or other man-made disasters. The department also provides critical services to other city departments through obtaining and managing grants, providing equipment, training, planning, and coordination of response to large-scale incidents and emergencies. Emergency Management includes significant pre and post disaster activities, including preparedness, prevention, response, and recovery. The department also coordinates emergency assistance for disaster response under statewide and inter-state mutual aid agreements.

Emergency Management Portion of General Fund Spending

#### **Department Facts**

• Total General Fund Budget: \$247,182

• Total Special Fund Budget: \$3,264,042

• Total FTEs: 7.35

- Since 2006, the department has provided over \$1.9 million to enhance response capacity to terrorism events, \$1.7 million to strengthen preparedness for the City and Emergency Operations Center (EOC) enhancements.
- The department maintains compliance with National Incident Management System requirements.

### **Department Goals**

- Goal 1 Implement a world class "Community Emergency Management Program"
- Goal 2 Perform effective grants management and financial administration
- Goal 3 Maintain and improve emergency management facilities and infrastructure
- Goal 4 Maintain and improve levels of target capabilities performance
- Goal 5 Achieve and maintain emergency management accreditation program (EMAP) compliance

#### **Recent Accomplishments**

- Continued cost recovery from past disaster events, including the 2011 Minneapolis tornado and the 2011 spring floods in Saint Paul.
- Created the Strategic Plan for the Department and Emergency Management and Homeland Security program for the City.
- Developed and completely re-wrote the FEMA-required Hazard Mitigation Plan for the city. This plan is required to be submitted once every 5 years and enables the City to review opportunities to prevent disaster damage before an emergency.
- Offered internships and mentoring opportunities to entry-level staffing in Emergency Management.
- Provided major exercise coordination in the Metro Region through "Operation Medicine Delivery", a program organizing Saint Paul resources in delivering emergency medicine to over 33,000 households in the region.
- Developed a continuity of operations plan for the department and issued guidance for the City departments and outside partner agencies in developing their plans.

### **Budget Changes Summary**

The 2013 Emergency Management budget increased staffing by utilizing grants. These new resources will fund a grants administrator, as well as staff support to assess critical infrastructure vulnerabilities, suggest improvements and to write various disaster plans. The spending reduction in 2013 is due to various expiring grants.

#### **Financial Services**

Manage the City's financial resources and assets to ensure taxpayers' confidence, the organization's effectiveness and the City's fiscal integrity.

#### 2013 Adopted Budget

#### Office of Financial Services

#### **Department Description:**

The Office of Financial Services (OFS) plays a vital role in supporting City operations. OFS provides services in five key areas.

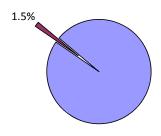

**Budget** prepares, implements and monitors annual operating, debt service and capital budgets; and provides fiscal analysis and projections for the Mayor and City Council.

Accounting and Reporting ensures that all financial transactions and accounting practices conform to generally accepted accounting principles, state law, and city administrative code and policies; and ensures that those who do business with the City get paid correctly and on time.

Payroll ensures that all city employees receive their pay and benefits accurately and on time.

**Treasury** manages and invests the City's cash resources to earn market rate of return; and manages the City's debt portfolio to ensure competitive rates and timely repayment. **Real Estate Management Services** provides property management, project management and design; facilitates energy conservation efforts; and processes assessment billings.

#### OFS's Portion of General Fund Spending

#### **Department Facts**

• Total General Fund Budget: \$3,346,822

• Total Special Fund Budget: \$12,042,705

• Total FTEs: 48.0

- Saint Paul's operating, capital and debt service budgets total over \$550 million.
- Saint Paul is one of only 211 municipalities nationally with a AAA bond rating.
- OFS manages over \$280 million of cash balances and a \$535 million debt portfolio.
- OFS processed 90,000+ payroll transactions in 2011, 95% as electronic fund transfers.
- OFS processes over \$250 million of annual payments to vendors.
- OFS processes \$40m+ in assessment and service charges against 81,000 parcels of land.

#### **Department Goals**

Ensure strong management of the City's financial resources and assets through:

- Accurate financial reporting
- Strong bond ratings
- Investment practices that preserve our financial assets
- Attention to the City's debt load and fund balances

#### **Recent Accomplishments**

- Received the Government Finance Officers Association (GFOA) Certificate of Achievement for excellence in reporting for the 35th consecutive year.
- City maintained its AAA bond rating from Standard and Poor's and Aa1 by Moody's during a challenging economy when credit downgrades were prevalent.
- Developed and implemented balanced 2012 operating, capital, and debt budgets.
- Implemented the budget module of the COMET project. Work on the finance modules are ongoing.
- •Completed 19 lighting retrofit projects and 9 energy management system installations in 2011. Total project costs of \$690,948 were reduced by over \$240,000 of federal stimulus funds and over \$160,000 in Xcel rebates. Estimated annual savings to the city is \$152,700.
- •Installed 6 solar projects in 2011. These projects will generate comparable energy to power 27 homes for a year in Saint Paul.
- Successfully sold Sewer Revenue and General Obligation bonds with record low interest rates (\$27.75 million in FY12 to-date), utilizing various financing tools.
- Accurately paid existing debt on time and in full; complied with ongoing disclosure and arbitrage requirements.

<sup>\*</sup>For the 2013 Budget, 1.6 FTEs in OFS shifted from the debt fund (displayed in separate section) to the general fund based on assignments. 9.0 FTEs shifted with the COMET budget when it was moved from OTC to OFS.

#### **Budget Changes Summary**

The 2013 OFS budget eliminates a position in the Real Estate design section and recognizes savings from underfilling a high-level position after a retirement. The budget also includes a new accounting unit for COMET operations; these costs had previously been budgeted in OTC but are now budgeted in OFS. Other changes are technical current service level adjustments, including the end of a three-year stimulus grant for energy efficiency projects and revised estimates for assessment projects.

#### **Budget Changes Summary**

The St. Paul Fire Department was awarded a Staffing For Adequate Fire and Emergency Response (SAFER) grant from the Federal government late in 2009. This grant will have provided nearly \$1.8 million by December 2012 to help hire 18.0 sworn firefighters. The program is structured with a city match that increases each year, and has a requirement that the sworn staff compliment doesn't reduce throughout the grant period. The positions will be entirely funded with City resources by 2014. Reductions in the Fire department are limited to a reduction in workers compensation and overtime, with no direct reduction in sworn positions. Additions include revenues from the Minnesota Board of Firefighter Training and Education (MBFTE) to reimburse the department for training expenses with no additional cost to the City. Paramedic revenue projections were increased based upon recent collection trends. Special fund adjustments include maintenance costs in the public safety garage and additional grant revenues. Capital lease resources are reduced to reflect the current capital replacement plan for vehicles and equipment.

| Staffing and Personnel Adjustments |
|------------------------------------|
|------------------------------------|

General Fund adjustments include a small reduction in workers compensation and a reduction in overtime, which reflects the agreement reached during the Fire Staffing Deployment Task Force in April 2012. The Task Force agreed to a staffing model that would preserve Rescue Squad 2 and reduce Super Medic brown outs.

# **General Government Accounts**

To budget for services provided on a city-wide basis and not directly associated with an operating department or office.

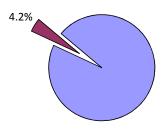

### 2013 Adopted Budget

#### **General Government Accounts**

#### **Department Description:**

General Government Accounts represent spending activities that exist across the City, but are not necessary assignable to a specific department. Functions include the pass through of the City share of employee benefits, city-wide tort liability costs, city elections, outside legal services, the civic organization partnership program, district councils and neighborhood crime prevention programs, support for financial forms and reports used by all city departments, costs associated with the City's participation in municipal organizations like the League of Minnesota Cities, legislative support services, the city-wide financial audit, maintenance and upkeep of City Hall, costs of the Charter Commission and Capital Improvement Budget committee and the general fund share of city-wide technology investment.

General Government Account's Portion of General Fund Spending

#### **Department Facts**

• Total General Fund Budget: \$9,270,494

• Total Special Fund Budget: \$530,422

• Total FTEs: 2.15

- Annually receive an "unqualified" opinion on the City financial audit.
- Support 17 citizen participation districts and 25 neighborhood crime prevention organizations.
- The City occupies 35% of the City Hall Courthouse facility.

#### **Department Goals**

- Support city-wide functions and initiatives through the proper allocation of resources.
- Ensure that the city-wide fringes fully accounts for the cost of employee benefits.

#### **Recent Accomplishments**

- Managed worker's compensation costs within allocated budgets.
- Working with the City's labor union representatives, city staff have continued to manage the financial control of city employee benefit costs.
- Allocations for city-wide technology needs provided a financial foundation to begin planning for the City Operations Modernization & Enterprise Transformation (COMET) project.

### **Budget Changes Summary**

The General Government Accounts budget includes the General Fund share of several new technology investments including resources to complete the COMET project, investments in a new widea area network (WAN) and enhancements to the City's existing local area network (LAN). Changes in the timing of the WAN project have resulted in one-time savings that have been directed elsewhere for 2013. General Government also includes a planned increase in the General Fund share of the public safety vehicle replacement budget, and an increase in the tort liability budget.

#### 2013 Adopted Budget

#### **Department of Human Rights and Equal Economic Opportunity**

#### **Department Description:**

The Department of Human Rights and Equal Economic Opportunity's (HREEO) major functions include:

- Contract Analysis and Procurement Services
- Printing/Copying/Design Services
- Contract Compliance
- Increase economic opportunities for business and our workforce
- Investigating human rights violations
- Implementing special projects

### HREEO Portion of General Fund Spending

#### **Department Facts**

• Total General Fund Budget: \$1,606,998

• Total Special Fund Budget: \$3,746,524

• Total FTEs: 33.1

- Contract & Analysis processed 226 advertised bids, 526 quotes, 90 master contracts, 289 master contract renewals, and managed over 900 master contracts
- River Print successfully completed 3,263 orders, increased its revenue by almost 3%, and implemented cost saving measures by selling under-utilized equipment.
- The department certified 72 businesses under Section 3 to bring the new total to 252 businesses (one of the largest Section 3 business lists in the country)
- The department's Vendor Outreach Program exceeded both its women and minority-owned business goals as well as awarding more than \$44 million to small businesses.

#### **Department Goals**

- Improve the availability of economic opportunities for low-income residents and business owners.
- Improve the efficiency, quality, and accountability of our procurement process.
- Simplify the compliance responsibilities for contractors.
- Improve responsiveness to human rights complaints.

#### **Recent Accomplishments**

## **Budget Changes Summary**

The Department of Human Rights and Equal Economic Opportunity continues to adjust staffing levels across the department to better position itself to achieve its goals of developing a strong diverse workforce; developing stronger contract compliance efforts; and enhancing human rights outreach and impact services to the community. To that end, a new Deputy Director position has been added to manage local prevailing wage, human rights and contract compliance. In addition, a vacant position will be transferred from the General Fund to Contract and Analysis Services (CAS) and converted to a buyer to focus on procurement efficiencies and improvements. Additional clerical support is needed to meet demands of the new Workshare agreement with HUD. To properly track expenses related to the Workshare agreement and report to HUD's specifications, Workshare resources and related expenses have been moved from the General Fund to a separate Special Fund accounting unit. Because of this, an experienced clerical position will be transferred from Contract and Analysis Services (CAS) to the General Fund and a new clerical position will be added to CAS to support procurement operations.

#### **Budget Changes Summary**

After taking into account current service level adjustments, the Mayor's Office will realize savings in 2013 relative to the 2012 Adopted budget by eliminating a vacant position.

In the grants fund, current service level adjustments are made to continue the VISTA and education programs. The current service level adjustments in the grants fund also reflect the 2012 completion of several multi-year grants related to energy conservation and solar power.

#### **Budget Changes Summary**

The 2013 budget for Parks and Recreation includes operating costs for new and existing facilities, like the Gorilla Forest Exhibit and the Visitor Center at Como Zoo. The general fund budget also includes spending cuts, such as reducing the number of city-run recreation centers from 25 to 23. Parks will operate two of its centers for the first half of the year, and then transition operations of both to community partners. Partner organizations will provide programming at both sites. The department will also close its operations storeroom, which is made possible due to efficiency gains in inventory management. In the Right-of-Way maintenance fund, right-of-way rates will increase by 2.7% to cover inflationary spending increases in the Parks and Public Works departments.

6250: Parks Special **Parks and Recreation** 

Change from 2012 Adopted **Spending Financing** <u>FTE</u> **Current Service Level Adjustments** 

**Fund 6250 Budget Changes Total** 

For the 2013 budget, Parks changed the way that permits, citywide special events and Harriet Island use are budgeted. This change will ensure that expenditures are tied directly to the fee revenue that supports them. The change resulted in an increase in spending and revenue in the Parks special fund budget.

Operating budgets for the City's golf courses, winter ski program, concessions, and citywide special events reside in the Parks Special fund.

#### 2013 Adopted Budget

#### **Planning and Economic Development**

#### **Department Description:**

PED's mission is "to actively create opportunities and encourage investment for the benefit of Saint Paul residents and business, which preserve, sustain, and grow the city's diverse neighborhoods." We accomplish this by assisting in the production of new housing, the rehabilitation and preservation of existing housing, providing mortgage financing to existing homeowners and new homebuyers, and strategic commercial and economic development investment. These actions are guided by careful neighborhood planning by professional planning staff, community collaboration, and inclusiveness. PED continues to build upon its past accomplishments, while looking forward to help establish Saint Paul as the Most Livable City in America.

#### **Budget Changes Summary**

In the City Sales Tax fund, program income and interest earnings projections are revised with updated assumptions for 2013, and spending is adjusted accordingly. The budget for the STAR program will increase based on improved 2012-2013 sales tax collections and proceeds from a loan repayment. Additionally, two one-time programs from the 2012 budget are not included in the 2013 sales tax fund budget: a low income housing trust fund and a one-time increase in the Neighborhood STAR annual competitive program.

In 2013, PED operations will budget for salary savings due to staff turnover, as well as reductions to general operating expenses. Spending and revenue associated with Saint Paul's continued participation in a Regional Employment Disparities initiative is also included in 2013.

Through the Housing and Redevelopment Authority, PED will continue funding city functions in the general fund such as HRA legislative support, citizen participation initiatives, intergovernmental relations, and Mayor's staff working on city initiatives such as Invest Saint Paul and Central Corridor Light Rail. PED also funds the Minority Business Development program in the Department of Human Rights and Equal Economic Opportunity.

#### **Budget Changes Summary**

In 2010, the department received grant funding as part of the American Recovery and Reinvestment Act (ARRA) COPS Hiring Recovery Program (CHRP), which funded 28 police officers for 3 years. In addition, funds from the United States Department of Justice Programs' Bureau of Justice Assistance (DOJ BJA) provided funding for 6 additional officers. 17 officers shift from the Grants fund to the General Fund in 2013, although the Police Department will maintain the same level of budgeted sworn officers. However, the Police Department does gain additional resources to fill vacant officer positions more aggressively in 2013. Other additions for 2013 include increased grant revenues, as well as additional contractual revenue for services provided. These increases are in Special Funds.

#### 2013 Adopted Budget

#### **Public Health**

#### **Department Description:**

The mission of the Saint Paul - Ramsey County Department of Public Health is to improve, protect, and promote the health, environment, and well-being of people in our community. In 1997, the City's public health function was merged with Ramsey County's through a joint powers agreement. The administration of the public health function now resides with the County. As resignations or retirements of City staff occur, the positions are filled by the County. As City employees resign or retire, the City budget shows a decline in FTEs and dollars associated with paying their salary and benefits. All salary and benefit costs are reimbursed by Ramsey County and the County is responsible for the portion of the tax levy that covers these expenses. The City of Saint Paul does not levy for public health services.

### **Budget Changes Summary**

The 2013 adopted general fund budget for Public Works includes cuts to miscellaneous services and supplies, as well as the first full year of operating costs for the City's new parking meter system.

The 2013 Public Works budget also includes several notable special fund changes. In the Assessment fund, recycling rates will increase to cover costs of the City's contract for curb-side recycling collection. In the Right-of-Way Maintenance fund, Public Works will continue to reinvest in its aging fleet of snow plows and other heavy equipment. A 2.7% increase on right-of-way rates will cover increased costs in both the Public Works and Parks right-of-way functions. The budget for the sewer utility holds rates flat for 2013.

#### **Budget Changes Summary**

The 2013 budget includes funding for the Department of Safety and Inspections (DSI) to conduct an external review of its business processes and operations. The 2013 budget also includes funding for DSI to begin implementing changes recommended by this outside review.

Staffing reductions in the Animal Control division will result in one fewer Animal Control Officer in the budget, leading to increased response times.

DSI will hire additional staffing to bolster the Environmental Health inspections program. These costs will be partially offset through an increase in business license fees.

DSI revenues are budgeted to decrease overall by \$550,000. Revenue from plan review, building permits and summary abatements are projected to decreases \$1,000,000 in total due to lower volume; while fee increases in the areas of vacant building monitoring, excessive consumption, and business licenses are projected to raise \$450,000 in new revenue.

| DSI currently has a lack of unity among code inspector titles, which limits flexibility to deploy staff where resources are need proposed budget includes funding to rectify this situation by creating a uniform title series for code inspectors. This change addresses pay equity issues, but also provides DSI with the flexibility to employ personnel where they are most needed. |               |                          |        |  |

#### **Revenue Changes**

For the 2013 budget, revenue changes in DSI generally fell into the following categories:

- Volume adjustments Decrease of \$800,000. These changes reflect reduced revenue expectations in plan review, building permits and summary abatement.
- Fee increases Increase of \$300,000. These fee increases are in the areas of vacant building monitoring and excessive consumption. Vacant building monitoring fees are proposed to increase \$340, from \$1,100 to \$1,440, to more closely recover the cost of monitoring and inspecting vacant buildings. The proposed change to the excessive consumption fee would eliminate the existing tiered pricing structure in favor of a flat \$120 per offense fee.

#### 2013 Adopted Budget

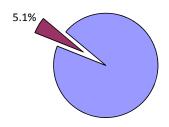

#### Office of Technology and Communications

#### **Department Description:**

The Office of Technology and Communications (OTC) works in partnership with City departments to identify and implement cost effective technology solutions to support business needs and objectives. OTC provides services in four key areas:

- -Project Development and Management--develops and manages technology projects to ensure projects deliver desired results and remain on time and within budget
- -Operations--ensures that the City's computer infrastructure employs current technology and is secure, reliable, responsive, effective and efficient
- -Information Development--creates, maintains, and organizes information and information systems that are key for daily operations and decision-making across the City
- -Communications--provides cable franchise and Institutional Network (I-Net) oversight and uses video productions and the City's web site to serve City needs and to promote the City as a destination of choice to live, work, and visit

#### OTC Portion of General Fund Spending

#### **Department Facts**

• Total General Fund Budget: \$11,248,721

• Total Special Fund Budget: \$103,500

• Total FTEs: 72.70

- Manage and support over 2100 PCs in 120 locations
- Support over 200 software applications
- Return and replace 430 PCs and 37 servers
- Received 22,703 new service requests and closed 22,530 of them
- Televised 180 meetings resulting in almost 200 hours of live coverage of both the City and Ramsey County meetings
- Support and manage 270 miles of Institutional Network with 130 subnets

#### **Department Goals**

- Guide the City in making appropriate technical investments
- Maintain a stable and sustainable infrastructure to ensure internal and external customers are able to access the services they need
- Support the creation of City operational efficiencies and effectiveness through technology implementation

#### **Recent Accomplishments**

- Provided expertise and support for the development and administration of the new ROAR system SPPD's Real-Time Officer Activity Reporting system. The system has now been implemented by both Ramsey County and the State.
- Developed and implemented the Comprehensive Incident-Based Reporting System (CIBRS), a web based application that allows SPPD personnel to search a large database of law enforcement reports from multiple agenceies in Minnesota.
- Coordinated the installation of webcam connections on both the top of City Hall and the Polar Bear exhibit at Como Zoo. Citizens were able to monitor both the floods and events on Raspberry & Harriet Islands and the construction of the Polar Bear exhibit at the Como Zoo.
- Provided support and expertise in the implementation of the new Time Tracking System for Contracts and Analysis Services. The City can now quickly measure their activities and better capture the time and cost for providing their services to outside entities like Ramsey County.
- Worked in partnership with Real Estate to release an RFP and purchase the Archibus software which provides the City with an expandable solution to manage properties and provide floor plans and lease information.

#### **Budget Changes Summary**

Resources have been added to the Office of Technology to enhance city-wide technology infrastructure. A multi-year project to begin upgrading the City's local area network (LAN) will connect technology equipment within each building to the City's wide area network (WAN). The WAN is also proposed to be significantly upgraded. These changes were originally reflected in the debt service budget. However, due to delays in the project, some resources have been placed in contingency and others have been utilized for one-time expenses throughout the City.

Adopting the 2013 Budgets.

WHEREAS, the Mayor has proposed budgets for the City of Saint Paul for the fiscal year beginning January 1, 2013, in accordance with the Saint Paul City Charter and Chapter 56 of the Administrative Code: and

WHEREAS, the City Council, after publication of the notice in the newspaper on November 26, 2012, participated in a public hearing on November 28, 2012, on the Mayor's Proposed 2013 budgets and property tax levy, as required by the City Charter and applicable state and Federal laws; and

WHEREAS, the Council has revised the Mayor's proposed budgets in the particulars as indicated in Attachment A; now therefore be it

RESOLVED, that in accordance with the procedures and requirements set forth in the City Charter and other laws applicable thereto, the Council of the City of Saint Paul does hereby adopt the 2013 budgets as proposed by the Mayor with such monetary changes, additions and deletions as are hereby adopted and which, along with total budgets, are set forth in Attachment A; and be it

FURTHER RESOLVED, that the expenditures in dollars as may be made by the several offices, departments, bureaus, and agencies of city government during the fiscal year 2013 shall be, and are hereby approved, and adoption of these budgets shall constitute appropriations of the money amounts as set at the department budget total in the General Fund budget, the project total in the Capital Improvements Budget, and the fund budget total in all other cases; and be it

FURTHER RESOLVED, that the estimated financing set forth in the 2013 adopted budgets is hereby approved; and be it

FURTHER RESOLVED, that the Five Year Capital Program for 2013-2017 is hereby approved; and be it

FURTHER RESOLVED, that the adoption of the 2013 budget for the Community Development Block Grant Fund is a multi-year budget based on estimates for a grant which has a fiscal period that differs from the City's normal budget year (January 1 through December 31): the authority to implement this adopted multi-year budget commences only at the beginning of the grant period, and shall extend beyond December 31, 2013, through the end of the grant period and; during the year when the grant is accepted by the City Council, the budget will be amended to match the actual grant amount for the entire multi-year period; and be it

FURTHER RESOLVED, that the City Clerk is directed to publish the 2013 budget summary pursuant to Minnesota Statutes section 471.6965 in the format prescribed by the Office of the State Auditor; and be it

Resolution: RES 12-2203

File Number: RES 12-2203

Approving the 2013 City Tax Levy.

WHEREAS, the Mayor, pursuant to the City Charter has proposed and recommended the 2013 budgets for the City of Saint Paul, and

WHEREAS, the proposed 2013 General and General Debt Service budgets have been reviewed and approved or adjusted by the City Council, and

WHEREAS, the City is required under Laws of Minnesota 2002, Chapter 390, Sec. 37, to levy a tax at the Library Board's request, which the Library Board has made, and

WHEREAS, the property tax levy needed to finance those budgets have been determined, and WHEREAS, the Port Authority of the City of Saint Paul requested a property tax levy to finance economic development budgets under laws of Minnesota, Chapters 469.053 subd 4, and 6, NOW THEREFORE BE IT RESOLVED, that the City Council in anticipation of adopting the General Fund, General Debt Service, and Library Agency budgets for the fiscal year 2013, and in accordance with section 10.04 of the City Charter, does hereby levy taxes on all taxable property within the Saint Paul corporate limits, to be collected totaling the amount set forth in the attached; and

BE IT FURTHER RESOLVED, that the City Council requests the City Clerk to forward this resolution to the Ramsey County Department of Property Records and Revenue in accordance with the applicable provisions of the City Charter and other laws, and

BE IT FINALLY RESOLVED, that the City Council requests the Office of Financial Services to complete and forward any state forms required identifying these adopted levies and corresponding special levies.

At a meeting of the City Council on 12/12/2012, this Resolution was Passed.

### Glossary

Account Code. A five-digit code assigned to a specific type of receipt or expenditure. A major account code is a grouping of expenditures or receipts on the basis of the types of goods or services purchased or rendered. For example, personal services, materials, supplies, and equipment are major account codes.

Accounting Unit (AU): An accounting unit is a subunit of a fund. Each fund contains one or more activities, a specific and distinguishable budgetary unit of work or service. Activities are detailed levels of budget spending authority created to accomplish the approved objectives of the fund.

Accounting Unit Number: A seven (7)-digit number which uniquely identifies the accounting unit. The first digit indicates the fund type, while the second digit indicates the department.

Allocation: A portion of a lump-sum appropriation which is designated for expenditure by specific organizational units or for special purposes. See Appropriation.

Appropriation: An expenditure authorized by the city council for a specified amount and time.

Assessed Valuation: The value that is established for real estate or other property by a government for use as a basis for levying property taxes.

Bond: A written promise to pay a specific sum of money (called the principal amount or face value) at a specified future date (called the maturity date) along with periodic interest at a specified rate.

Budget Document: The written record of the comprehensive financial plan the mayor presents to the city council for review, revision if deemed appropriate, and adoption.

Capital Allocation: Assignment of available capital (dollars) to specific uses.

Capital Expenditure: Actual spending of capital (dollars) for capital improvement projects.

Capital Improvement: The purchase or construction of durable/fixed assets. Examples include streets, bridges, parks or buildings.

Capital Improvement Budget (CIB): A plan for capital expenditures (physical development of the city) to be incurred each year, over a fixed number of years, in order to meet capital needs arising from the long-term work program.

Capital Outlay: Equipment, machinery, vehicles or furniture items included in the operating budget. See Capital Improvement Budget.

Capital Projects Fund: A fund established to account for all financial resources used for the construction or acquisition of major capital facilities, except those financed by special assessment, proprietary or fiduciary funds.

CIB: Acronym for capital improvement budget.

COMET: Acronym for City Operations Modernization and Enterprise Transformation, Saint Paul's technology improvement project. See ERP.

Debt Service Fund: A fund established to account for the financial resources used for the payment of long-term general obligation debt principal, interest, and related costs.

*Division:* An organizational subunit of a department. Each department has one or more divisions, which are responsible for one or more activities.

*Encumbrances*: Legal commitment of appropriated funds (in the form of purchase orders or contracts) to purchase goods or services to be delivered or performed at a future date. They cease to be encumbrances when paid or when the actual liability is created.

Enterprise Fund: A fund established to account for city operations that are financed and operated in a manner similar to private business enterprises. The intent is that the costs (expenses, including depreciation) of providing goods and services on a continuing basis be financed or recovered primarily through user charges.

*ERP:* Acronym for Enterprise Resource Planning, a document and information management system.

*ETI:* Acronym for Enterprise Technology Initiative. This is an activity in the Technology department in which spending and financing for city-wide technology improvements are budgeted.

Expenditures: Total charges incurred, whether paid or unpaid, including the provision for retirement of debt not reported as a liability of the fund from which it will be retired, and capital outlays (for governmental funds and fiduciary funds, except non-expendable trust funds).

*Expenses.* Charges incurred, whether paid or unpaid, for operation, maintenance, interest, and other charges which benefit the current fiscal period (for proprietary funds and non-expendable trust funds). See *Expenditures*.

FMS or FM-80: Reference to the City of Saint Paul's financial management computer system. This system is planned to be retired in 2013 and replaced with the City's new ERP system.

*FORCE:* Acronym for focusing our resources on community empowerment. This is a unit within the Police Department dedicated to combat problems, at the neighborhood level, of street level narcotics, problem properties and disruptive behavior.

Fiduciary Fund: A fund established to account for resources held for the benefit of parties outside the government.

### Glossary - Continued

Financing Plan: Identifies sources of revenues that support the spending plan.

Full Time Equivalent (FTE): A personnel position which is financed for the equivalent of 80 hours per pay period, for 26.1 pay periods (a typical year), or 2,088 hours in a year. This is roughly equivalent to 40 hours per week for 52 weeks. For example, a .5 FTE would represent 20 hours per week for 52 weeks, or 40 hours per week for 26 weeks. A 1.0 FTE is a general reference to a position normally working for a year.

Fund (Company): Each individual fund is a separate accounting entity having its own assets, liabilities, revenues and expenditures or expenses. City financial resources are allocated to, and accounted for, in individual funds based on legal, donor, or administrative restrictions or requirements. In the City's new ERP software, the system term "Company" is used. For the purposes of the City of Saint Paul, "Company" is equivalent to Fund.

Fund Balance: An equity account reflecting the excess of accumulated assets over accumulated liabilities and reserves (monies set aside for specific purposes).

Fund Manager: Fund managers are accountable to and receive authority from their department director and division manager, and ultimately from the mayor, the city council, and city residents/taxpayers. Each fund manager is responsible for correctly preparing and submitting the portion of the city's financial plan that is provided by their fund. This includes a properly completed budget request consisting of performance, spending and financing plans. Fund managers are responsible for monitoring the collection of receipts, authorizing spending payments, cash flow planning, and service delivery in accordance with the adopted plan. Fund managers are also responsible for forecasting significant performance, spending or financing variances, determining their cause, creating a solution, and reporting such information to their department director and the director of the office of financial services. See *Performance Plan*, *Spending Plan*, and *Financing Plan*.

Fund (Company) Number: A four-digit number which uniquely identifies the fund. For example, the general fund is fund number 1000, the city grants fund is 2400, and the parks and recreation special activities is 6250. parks and recreation grant fund is 860 and the fire clothing trust fund is 736. There is no significance to the sequence of numbers. See Activity Number.

Fund Type: A classification of funds by similar purpose. The fund types are: governmental (general, special revenue, debt service, capital project, special assessment), proprietary (enterprise, internal service), and fiduciary (trust and agency funds). Although the city hall annex operating fund and the public works engineering fund are separate funds, they are the same fund type (internal service). See each fund type for its definition. Also see Fund.

GIS: Acronym for geographic based information systems.

General Fund: The fund used to account for all financial resources not specifically

earmarked for other purposes. The general fund is the primary operating fund for the City of Saint Paul.

Governmental Funds: All funds other than fiduciary and proprietary funds. Includes the general fund, special revenue funds, capital projects funds, debt service funds and special assessment funds. The measurement focus is on spending or financial flow rather than on net income. See *Fiduciary Funds* and *Proprietary Funds*.

Internal Service Fund: A fund established to account for the financing of goods or services provided by one city department to other city departments, divisions or funds on a cost-reimbursement basis.

LGA: Acronym for local government aid. See State Aids.

MSA: Acronym for municipal state aids. See State Aids.

Operating Budget: The annual operating budget is the primary means by which most of the financing, acquisition, spending and service delivery activities of a government are controlled.

*Operating Transfer In/Out:* Interfund transfers are legally authorized transfers between a fund receiving revenue and a fund where resources are expended.

*PED:* Acronym for the planning and economic development department.

Permanent Fund: A fund established to account for the custody and administration of assets held in a trust capacity. The assets held in a trust fund must be spent or invested in accordance with the conditions of the trust. Expendable trust funds are similar to governmental funds in that the measurement focus is on spending or financial flow rather than on net income. Non-expendable trust funds are similar to proprietary funds, with the measurement focus on determination of net income. See Agency Fund and Fiduciary Fund.

*Proprietary Funds:* Any fund which attempts to determine net income. Measurement focus is on cost of services similar to private sector for-profit organizations. This category includes enterprise and internal service funds.

Recoverable Expenditure: An expenditure made for, or on behalf of, another governmental unit, fund, or department, private individual, firm, or corporation which will, subsequently, be recovered in cash or its equivalent.

Retained Earnings: An equity account reflecting the accumulated earnings of an enterprise or internal service fund which are not reserved for any specific purpose.

Special Assessment: Charges which the local government collects from property owners to pay for specific services or capital improvement projects such as streets, sewers, etc., which benefit a particular piece of real estate.

## Glossary - Continued

Special Revenue Fund: A fund established to account for the proceeds of specific revenue sources (other than special assessments, expendable trusts, and capital projects) that are legally restricted to expenditures for specified functions or activities.

Spending Plan: Provides a unit or subunit of an organization with spending authority to pay for the resources required to effectively accomplish the performance plan.

STAR: Acronym for sales tax revitalization program. This is also referred to sometimes as cultural sales tax revenue.

State Aids: The following are the major types of intergovernmental revenues received by the City of Saint Paul from the State of Minnesota:

Local Government Aid (LGA): Begun in 1971, this program was designed to provide indirect property tax relief through the redistribution of income tax and sales tax revenues collected at the state level to local units of government. The amount of funding received by local units of government is based on a distribution formula determined by the Minnesota State Legislature. The distribution formula is based on "need" as well as "capacity". The 2001 State Legislature rolled the Homestead and Agricultural Credit Aid into Local Government Aid.

Municipal State Aids (MSA). This program is financed by motor vehicle related taxes collected at the state level. The state gasoline tax is the largest revenue source and the dollars collected are constitutionally dedicated for expenses related to MSA routes. The revenues are redistributed back to municipalities of 5,000 or more residents to be used for construction and maintenance of their MSA designated routes.

Tax Increment District: A tax increment district is a designated geographical area where a city is undertaking redevelopment or development activity. Any increase in assessed valuation due to new development activity is captured by the district. Property taxes levied against those captured values are used to finance the public improvement costs incurred to induce the private development activity. Public improvement costs can be financed by issuing bonds or by a pay-as-you-go plan.
