Subject: CIB Proposal for May Park Play Area

To the CIB Community Facilities Task Force:

Hamline Midway Coalition (HMC) supports CIB funding to upgrade May Park at 816 Clayland Place as proposed by the City of Saint Paul – Department of Parks and Recreation. The existing play area is quite antiquated, and often referred to by local residents as “the playground that time forgot.”

HMC very much appreciates that enhancements to the park will be based on discussions with a community design advisory committee. Local residents are looking forward to participating in design of a new and improved May Park Play Area.

Thank you for your consideration.

Sincerely,

A handwritten signature in black ink that reads "Michael Jon Olson".
