Como Regional Park Advisory Committee Meeting Agenda – February 12, 2013 Historic Como Streetcar Station 6:30-8:00pm

1. **Proposal for new ride at Como Town** – Michelle Furrer, Campus Manager, Lancer staff

Como Town is proposing to construct a new ride attraction for the 2013 summer season. The Soaring Eagle is a way to give riders great views of the park, with bird's eye views. One of the primary reasons Como Town believes this ride will do so well is its appeal to multiple generations as it's not a thrill style ride and the cross-over appeal it will have to Como Town and Como Zoo visitors.

2. **Historic Como Streetcar Pedestrian Bridge update** – Dan
3. **Proposal for committee structure, make-up and meeting schedule moving forward** - Dan

The next meeting of the Como Regional Park Advisory Committee is scheduled for Tuesday, April 9, 2013 from 6:30-8pm at the Historic Como Streetcar Station.
