# NEIGHBORHOOD/COMMUNITY

## MAINTAIN CONNECTIONS AND IMPROVE SAFETY

- Enhance connection between neighborhood amenities (library, shopping, recreation)
- Improve drainage of Pederson pathway
- Create a desirable community gathering place
- 

# OVERALL SITE

## INVESTIGATE RELOCATION OPTIONS FOR PLAY AREA

- Create views into and out of playground to increase visibility specifically by creating sightlines from the Director's office and street into play area
- Improve connection from parking area to play area
- Provide a buffer zone between basketball court and play area
- 

## IMPROVE THE USABILITY OF THE SITE

- Address grading and drainage throughout site to reduce ponding
- Retain existing trees where possible
- Add shade trees and vegetation as appropriate
- Enhance connection to the library
- Provide adequate light levels around the play area
- 

# PLAY AREA

## IMPROVE AND UPDATE PLAY AREA FOR SAFETY AND TO PROVIDE ACTIVE RECREATION OPPORTUNITIES FOR CHILDREN

- Remove old, unsafe play equipment
- Update site amenities to meet ADA and CPSC guidelines
- Create accessible play area
- Provide different and unique play experiences
- Provide play equipment that focuses on different muscle groups and skill/coordination levels
- Provide central play area with separate play ares for 2-5 and 5+ age levels
- 

# CONWAY PLAY AREA RENOVATION

introductory meeting  
March 3, 2011
