

RECENT UPDATES

- Intersection of Kaufman Drive and Lexington Parkway abandoned eliminating a problem area for traffic congestion and safety issues.
- Kaufman Drive removed and replaced with a 64-stall parking lot and concrete pedestrian trail connecting various memorials - Mannheim, Ibsen, Lily Pond, and Labyrinth.
- Connection between Lake Como and Como Zoo and Conservatory, Picnic Grounds, and Hamline Avenue improved with addition of shared use trail at pedestrian bridge over Lexington Parkway.
- Addition of labyrinth to the memorial area dedicated to the sister city relationship of Saint Paul and Nagasaki.
