

Technologies Review Subcommittee
of the
Ford Site Energy Study
Technical Advisory Group (TAG)

Thursday, December 18, 2014
8:30 a.m. to 9:30 a.m.

In person: City Hall Annex – 13th floor (25 W 4th St)
Conference call-in: Dial 651-266-8080; after beep, dial password 3721

AGENDA

- 8:30-8:35 Review agenda
- 8:35-9:20 Discuss memo, section by section (group)
- 2. Gross List and Screening
 - 3. Scoring of Technologies
 - 4. System Designs
 - 5. Considerations:
 - Are any technologies missing?
 - Do you agree with the technical assumptions used?
 - Should the 5 goals (net-zero; resilience; innovation; energy efficiency; and cost effectiveness) be prioritized and weighted? If yes, how?
 - Which set up should be taken forward for the design?
- 9:20-9:25 Discuss overall format and graphics – any recommendations?
- 9:25-9:30 Next steps -- role of this paper, as revised
