

Agenda

Near East Side Task Force & Strategy

May 10, 2011

5 PM, Hamm's site – Everest portion, 713 Minnehaha Ave E, Suite 202 (second level, follow signs)

Note: North portion of Hamm's site tour – meet at 4:15 PM at Building 28, 707 Minnehaha Ave E.

1. Discuss draft list of key outcomes from last meeting (sent out prior to meeting) (10 min)
2. Review/present current land uses (5 min)
3. Review recommendations in existing adopted City plans, and publicly-owned opportunity sites (20 min)
 - Recommended land uses in existing plans (sites identified for housing development, commercial infill development or renovation; sites identified for industrial redevelopment)
 - Recommended “active greenspace” concepts such as closed streets, a public plaza, etc.
 - Publicly-owned opportunity sites in study area
4. Small group and large group discussions of existing plan recommendations to carry forward, as well as initial ideas for opportunity real estate projects (i.e., priority land uses, vacant sites to develop, sites to redevelop, etc.) (55 min)
 1. Small group discussion. *Which land use recommendations from existing plans should be carried forward or possibly changed? Which open space concepts are priority for implementation? Which key sites should be developed or redeveloped for particular land uses?* (30 min)
 2. Report out (25 min)
5. Report of the “community-building” subcommittee and discussion about proposal (25 min)
 1. McNeely Foundation Giving Program proposal (Tabitha Benci DeRango)
 2. Update on possible E. 7th infrastructure improvement ideas (Luis Pereira)
6. Housekeeping items – Proposed Task Force name; Commercial building subcommittee meeting May 19, May 26 meeting with Latino/Spanish-speaking business owners; June meeting topics (5 min)
