The St. Paul Police Department is sponsoring a two-day course designed to assist officers in becoming more familiar with police carbines & rifles. This course will cover the reasons for implementing a carbine/rifle, safety. Loading, unloading, zeroing, reloads, malfunctions, use of cover, concealment, positional shooting, shooting during movement, multiple targets and transitions to handgun. Also covered will be ballistics, optics, lights, ammunition carriers and related equipment. Students will be given individual attention to assure the basics are being properly executed, and then demanded during all drills. Successful student participation will assure shooting skills have exceeded any past abilities.

Equipment: Participants are required to bring their Carbine/ Rifle with at least three magazines, any optics and flashlights they mount on the weapon, and a method of carrying extra ammunition. Students also need to bring their service weapon with at least 3 magazines, a method of carry consistent with their duty assignment. Please bring a baseball type hat and ear protection.

Ammunition: Each student will need to bring 1000 rounds of ball or practice ammunition for the carbine / rifle. Students will also need to bring 100 rounds of ball or practice ammunition for their duty handgun.
