

Chapter 114. Licensed Business--Removal of Snow and Ice

- [Sec. 114.01. Failure to remove; license or permit revocation.](#)

Sec. 114.01. Failure to remove; license or permit revocation.

Notwithstanding any provision of any other ordinance, any person, firm or corporation who is granted a license, a renewal of a license, or a transfer of a license, pursuant to the Saint Paul Legislative Code, or any person, firm or corporation who is granted a building permit pursuant to any provision of the Saint Paul Legislative Code for work to be performed on any commercial or business premises, shall be deemed to have agreed, as a condition of such license or permit, to keep and maintain reasonably free of snow and ice any sidewalk or other pedestrian way immediately adjacent or contiguous to the premises for which any permit has been issued or which is used by the licensee or his agents or employees in the operation of any business for which any license has been issued. Failure to keep such sidewalk or other pedestrian way free of snow and ice shall be grounds for denial or revocation of such license or licenses.
