

Coins Seem a Bit Old Hat?

...Parking Cards are Where It's At!

City of Saint Paul Parking Cards are a simple way to pay to park at any meter in the city. By purchasing a prepaid parking card, you can free yourself from the burden of carrying coins everywhere you go. Stop jingling and start living!

How do you use a Parking Card?

When using a single-space meter:

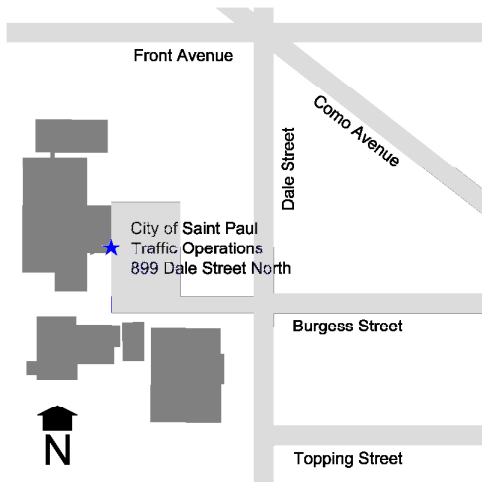

1. Insert card. The meter will display the value remaining on the card.
2. After a few seconds, time will be added to the meter.
3. Remove card after desired amount of time is purchased.

When using a multi-space meter:

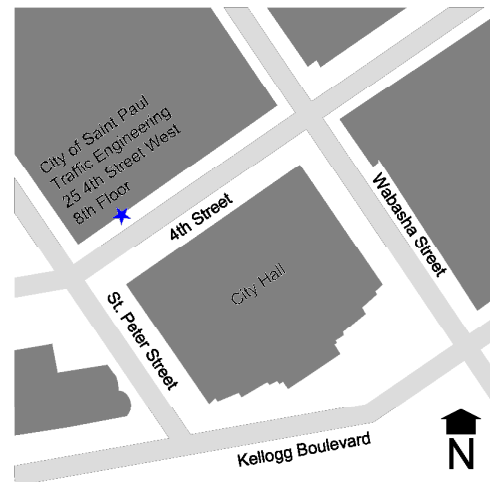

1. Enter your space number.
2. Insert card.
3. Use the keypad to add time to the meter.
4. Press print receipt button to complete your transaction.
5. Remove card and take your receipt.

To purchase a Parking Card, or to add value to a previously purchased card, visit one of the locations below:

Traffic Operations
899 Dale Street North

Traffic Engineering
25 4th Street West, 8th Floor
