Como Regional Park Advisory Committee Meeting Minutes – November 16, 2011

Como Play Area Renovation – Alice Messer from the Parks Design Section presented the final concept for review and comment. The minutes from this discussion are posted at www.stpaul.gov/parks under ‘current projects.’

A Signage and Wayfinding RFP draft was available for the committee to review and comment on. The RFP will be finalized at the December meeting.

Naming the Como Pool Concession Area – Kathy asked the group for ideas related to the naming of the new Como Pool Concession Area. It is hoped that we will have some fun with this as we prepare to open the new facility. Rather than naming ideas, the group provided some options for community involvement, and suggestions for recognizing the person who submits the selected name.

Introduction to a discussion about re-purposing Como Golf Course – As a preliminary discussion topic related to the Parks and Recreation System Plan, the budget situation with golf in general and the golf operation completing the first year of a two-year performance plan, the committee was introduced to the upcoming discussion about **possible** re-use options for Como Golf.

December meeting: Tuesday, December 13 at 6:30

December agenda items:

- Finalize Signage and Wayfinding RFP (if needed),
- Como Como Golf Course
