Parque de Castillo
Community Design Advisory Committee
Role and Expectations

Project Goal: Create a concept plan for improvements to Parque de Castillo to improve the play area and create a vibrant public space.

Objectives:

1. *Improve the play area*
2. *Reorganize the park space to accommodate events and community gatherings*
3. *Create a connection (physical and visual) between Cesar Chavez and El Rio Vista*

The Charge of the Design Advisory Committee:

- Advise the design team composed of city staff in the concept development and refinement for Parque de Castillo.

The role of the Design Advisory Committee:

- Help to determine the community needs and desires for the site
- Review plan concepts and provide input on major design elements and themes
- Bring suggestions from community, stakeholders, and respective organizations to the attention of the project team
- Help communicate project progress to community members
- Provide guidance to City staff on final design recommendations for the project
- Ensure that the full range of issues are discussed during the design process

Expectations for Committee members include:

- Represent and communicate the community needs and desires for the site
- Respect for different perspectives
- Courtesy of one another
- Contribute in a positive way
- Attend every meeting or send a representative
