

RESOLUTION # 20-18
Approval of Highland Bridge Park Designs

WHEREAS, the Saint Paul Parks and Recreation Commission (“Commission”) is an appointed body established to advise the Mayor and City Council on long-range and city-wide matters related to the Department of Parks and Recreation; and

WHEREAS, Four new parks at Highland Bridge have been designed with the input of the community and the guidance and review by the City throughout the process; including Parks A and C to 100% construction documents, and Parks B and D to 60% construction documents; and

WHEREAS, additional changes in programming and small adjustments will likely be made from now through construction, as customary with park design; and

WHEREAS, the Parks and Recreation Design and Construction Division will continue to provide updates to the Commission and will indicate whether there are any significant changes; and

WHEREAS, in December 2019 the City entered into a Redevelopment Agreement (RDA) with Project Paul, LLC; and

WHEREAS, that RDA mandates that an approved public engagement process be used through the design of Park Enhancements; and

WHEREAS, the RDA requires adherence to a Base Parks Scope and Sources and Uses Budget outlined in said document which are considered by City staff to be satisfied; and

WHEREAS, the RDA requires approval by the Parks and Recreation Commission of the park designs and the process that leads to that design and programming; and

WHEREAS, Staff has determined that the parks are now designed to a level that warrants review and approval by the Commission

; now therefore be it

RESOLVED, that the Saint Paul Parks and Recreation Commission approves design of the four Parks A-D at Highland Bridge and grants permission to complete plans and documents for the construction of each park to meet the intent of the designs as they stand now.
