Transportation Committee Staff Report for Projects  Committee date: 11/30/2020
<b>Project Name:</b> Replacement of Kellogg-Third Street Bridge No. 62080 including Approach Roads
Geographic Scope: Kellogg Boulevard (Third Street) between Broadway and Maria
Project Contact: Brent Christensen, Public Works Bridge Division, 651-266-6182
<b>Project Webpage:</b> https://www.stpaul.gov/departments/public-works/bridge-division/kellogg3rd-street-bridge
<b>Project Description:</b> Bridge reconstruction including retaining walls, approach roads, trails/sidewalks, lighting, signals, intersection and ADA improvements.
<b>Project Stage &amp; General Timeline:</b> Design Layout (today), 60% Plans (6/2021), 95% Plans (9/2021), Final Plans (12/2021), Construction begins Spring 2022, Substantial Completion late 2024.
Public Hearing Date & Location: TBD
Cost & Primary Funding Source(s): State grant (\$52M), Federal grant (\$7M), Local MSA (\$4M), no CIB assigned.
Transportation Committee Role:
☐ Inform project scope & approach ☐ Inform design ☐ Inform implementation
☐ Make recommendation
<b>Explanation</b> Bridge cross section was determined by City managers in 2019, prior to external funding requests. Layout has been approved by MnDOT Layout Approval Committee (LAC) and Public Works staff design team. Transportation Committee comments will inform design as it is finalized and presented to public in early 2021.
