

Effective July 25, 2020 Governor Walz signed [Executive Order 20-81](#) which requires masks be worn in all indoor public spaces regardless of the ability to social distance, with a few exceptions. All City employees must wear a face covering/mask and follow this guidance except when:

- Alone in a vehicle
- Alone in an office, conference room, or cubicle with walls higher than face level
- When eating or drinking, provided social distance of 6 ft or more is maintained

Employees are encouraged to continue to follow the recommendations of the CDC and the MN Department of Health when interacting with co-workers and members of the public.

Employees who do not follow these requirements are subject to discipline.
