City of Saint Paul

Police Crime Report

The Saint Paul Police Department is committed to protecting the peace and maintaining public safety through trusted service with respect.

It is a full-service agency with an authorized strength of 620 sworn officers and approximately 180 civilian employees - all of whom work together to promote safe and healthy neighborhoods in Minnesota's capital city.

Each year, the Saint Paul Police Department responds to about 300,000 calls for service and investigates approximately 13,000 Part I crimes. The "2020 City of Saint Paul Police Crime Report" provides insight into those calls, including where they took place and the type of incident to which officers responded or proactively deployed.

The information included in the report is primarily derived from data sent to the Minnesota Bureau of Criminal Apprehension as part of the FBI Uniform Crime Reporting system. That data is published by the FBI in the annual "Crime in the United States Report."

For more information about the report, please contact the Saint Paul Police Department Research and Development Unit at 651-266-5501.
