What's New for 2021 & Highlights

Welcome

Dear NNO Host,

Congratulations, you have taken the 1st step in hosting a successful National Night Out. This participation packet provides you with valuable information and ideas for your events, street permit information, FAQ's, and sample flyers.

National Night Out is a great crime prevention tool that is about building partnerships between the Police and the Community. It is the opportunity to engage with each other, and to get to know neighbors and officers in your community.

National Night Out this year is Tuesday, August 3rd, 2021 . If you have not registered your event, please do so online at www.stpaul.gov/nno . Don't forget to check if you are interested in visits from fire or special police units.

Once you are registered you will receive updates and additional news via email. We will also send out additional ideas or events as they are added.

We want to ensure you have the support and information you need to plan a great event. If you have questions or need more information please contact National Night Coordinators-Patty Lammers at 651-266-5455 or patricia.lammers@ci.stpaul.mn.us or Sagal Abdirahman at 651-266-5994 or sagal.Abdirahman@ci.stpaul.mn.us.

Leading up to National Night Out we hope you join us for Safe Summer Nights. They happen from June thru the end of August. They are from 5- 7 p.m. at a different park each Thursday Night. These events are designed to provide on-going outreach and partnership building with the police and the community. The events include free food, fire safety demonstrations, bike safety rodeos, K-9 demonstrations, exploring of police equipment, youth games, etc. For a full list of dates and locations please look at www.safesummernights.org or the St. Paul Police Community Engagement Unit Facebook page at: <https://www.facebook.com/sppdceu/>.

We hope you have a great National Night Out!

Sincerely,

Patty Lammers/Sagal Abdirahman

Why National Night Out?

National Night Out was introduced in 1984 by the National Association of Town Watch through an established network of law enforcements agencies, community groups, state and local crime preventions associations and volunteers across the nation. The first National Night Out involved 2.5 million neighbors across 400 communities. The event has grown to 38 million neighbors across 16 thousand communities and neighborhoods!

St. Paul has had a proud tradition of participating in National Night Out. We have finished in 1st place for a city of our size 5 times! Last year we set a record in terms of number of events and participation with over 36,000 people participating across the city.

Why is that important. It's neighbors getting to know each other, share a fun evening, meet officers, and celebrate their neighborhoods and blocks.

When is National Night Out?

National Night Out is the 1st Tuesday of August every year. This year it is Tuesday, August 3rd, 2021. We encourage you to host your event sometime on National Night Out, but we know for some areas that is a challenge so we ask that you try to hold it sometime during that week if you are unable to host it on National Night Out.

Our Theme for 2021: Celebration

We all know that 2020 was a challenging year that kept many of us away from family, friends, and neighbors. This year we want you to celebrate the opportunity to spend time together with old and new neighbors. Let 2021 be a new beginning for everyone to meet new neighbors and get caught up with long time neighbors. Celebrate being able to gather and enjoy each other company. Take time to laugh, learn, and care about each other.

Ideas for Events

National Night Out is about building your community, getting to know your neighbors, and meeting your police officers. The events can be large or small; simple or more elaborate. It depends on the time you have to organize, the help you have, and the resources around you.

Low Key Suggestions- Great for last minute parties, new parties, or ones that just want to relax.

Ice cream social

Hot Dogs and Lemonade

Block Pot Luck

Block your street or just keep it to the blvd.

Moderately Organized- for those who have hosted before but don't want to take on too much

Block Party with a theme

Pre-assigned potluck

Kids games/activities

Thank you cards for officers (drop off at your local district office after events)

Block clean-up –city will provided materials thru Come Clean Program

<https://www.stpaul.gov/departments/public-works/recycling-and-waste-reduction/all-programs/come-clean-programs>

Block off your street

Ideas for the Seasoned Vets

Lots of kids activities

Host a movie or band

Get restaurants to sponsor food or door prizes

Contests-ie: sidewalk art, bike decoration, talent show, etc.

Dancing lessons

Progressive Dinner

No matter what kind of event you are having; we want you to have fun, be creative, and most importantly share the experience with us by sending us photos.

Street Blocking Permits

Some blocks choose to block off one or more streets to hold their events. We have worked hard to make it as easy as possible to complete the necessary paperwork (see forms at end of this packet). The process required is as follows:

1. Go to st.paul.gov/nno
2. Follow the link in the registration to print the Application agreement and certification form and the petition form
3. Complete your on-line registration and upload the completed forms under the upload section in the registration. (The petition can be emailed at a later

date).

4. If you need a paper version please contact Patty Lammers at 651-266-5455 or patricia.lammers@ci.stpaul.mn.us or Sagal Abdirahman at 651-266-5994 or sagal.abdirahman@ci.stpaul.mn.us.

There are no fees charged to those hosting their events on National Night Out. We do have a limited number of barricades so complete your registration and permits early to ensure you receive barricades, if not you can block off your street with cones or saw horses as long as you leave the ability for emergency vehicles to get down into the area if needed.

FAQ's

Q. Why Do I Need to Register National Night Out Party?

A. We ask you to register because it is how we track the number of events and participants. It also let us know where to send officers and special units. If you are requesting to block off your street you must register.

Q. Do 1st time party's get any extra help?

A. The 1st 30 new parties to register events get a 1st time party pack. It will include paper products, crime prevention materials, balloons, and more!

Q. Do I need a permit to block my street?

A. Yes, the permit applications are available on line. You will need to turn in the permit no later than July 10th, 2020 to ensure the permit can be reviewed. There are also limited amounts of barricades so complete your permit early if you want to ensure you get barricades for your block. If you don't get barricades you can block your street with cones, saw horses, etc. You just can't block it off with cars.

Top Reasons to Host a National Night Out

1. National Night Out is Fun!
2. You can meet and greet neighbors
3. Use it as an organizing tool to get neighbor contact Information and create an email tree.
4. Increase a sense of belonging in your community and welcome new neighbors.
5. Start a new block tradition.
6. Learn about your neighborhoods history.
7. Discover Neighbor's hidden talents.
8. Challenge your neighbors to see who can be the best (bake off, lawn games, etc.)
9. Share crime prevention information
10. Get a visit from the St. Paul Police and help strengthen our police-community partnership!

Reporting

Each year we participate in the National Contest hosted by the National Association of Town Watch (the National sponsor of National Night Out). This contest is very competitive and has St. Paul competing against other cities of our size. The information and photos that you provide help us develop our report and show what a great day NNO is in St. Paul. Please send photos to patricia.lammers@ci.stpaul.mn.us by August 13th. We will also send out a follow-up survey. Please take a few minutes to complete the survey.
