Substantial Amendment:

This substantial amendment to program year 2019 Consolidated Plan Annual Action Plan for the City is to receive and administer an additional \$5,943,414 in Emergency Solutions Grant (ESG-CV) funding from HUD made available through the Coronavirus Aid, Relief, and Economic Security Act (CARES Act) (hereinafter "Round 2 CARES Act Allocations").

Subsequent additional ESG allocations to the City through the CARES Act is unknown at this time, but this allocation and such subsequent allocations will be used for the same purpose of the Initial CARES Act Allocations to prevent the spread of coronavirus 19 (COVID-19) and facilitate assistance to eligible households and persons economically impacted by COVID-19.

Eligible ESG activities include street outreach, emergency shelter, homelessness prevention, rapid re-housing, Homeless Management Information System, and administration.

Further, eligible ESG costs incurred as of March 27, 2020, (the date which President Trump signed the CARES Act) and paid for with nonfederal funds may be repaid with ESG funding, including those made under the CARES Act. These pre-award costs will meet all HUD requirements applicable to ESG, including those under the CARES Act.

Public notices regarding future substantial amendments to the Consolidated Plan Annual Action Plans will be printed in *Pioneer Press* and posted online on the City's website at <https://www.stpaul.gov/conplan>. Specific activities using ESG-CV funding under the CARES Act will not require a separate public notice but will be posted on the City's website.

Background on the Consolidated Plan:

The Consolidated Plan and associated Annual Action Plans describe the housing and community development needs, as well as activities to address those needs through the City's programs, as defined and funded by HUD. As required by HUD, the Consolidated Plan brings together, in one (1) consolidated submission, the planning and application aspects of the Community Development Block Grant (CDBG), HOME Investment Partnerships (HOME), and Emergency Solutions Grant (ESG) programs. More information on the Consolidated Plan is available on the City's website at <https://www.stpaul.gov/complan>.
