**Self-Scoring Worksheet - 4% HTC**

**Selection Criteria:** Projects submitting an Application to the Saint Paul HRA for tax-exempt housing revenue bonds must demonstrate that the project will score a minimum of 40 points under the 4% HTC Selection Criteria below.

All projects must be reviewed and determined to be consistent with City/ HRA plans, Saint Paul Comprehensive Plan, or Small Area Plans. All projects must comply with cost containment thresholds established by the HRA. Projects with unique urban redevelopment conditions may request a cost containment adjustment, subject to HRA approval.

Applications stating request for consideration to obtain tax-exempt revenue bonds will be accepted on a “rolling basis” and projects will be prioritized on the basis of their total score plus an evaluation of whether the project is on City/Saint Paul HRA-owned land, readiness of the project to proceed, amount and term of bond allocation requested, cost-containment compliance, and overall feasibility of the project for purposes of receiving an allocation of private activity volume cap for the issuance of tax exempt housing revenue bonds by the Saint Paul HRA.

If two or more projects are deemed to be of substantially equivalent, the Saint Paul HRA may select the project that is located outside downtown Saint Paul, if downtown project requires conversion of office space to housing.

1. **No Further Subsidy/Financing Committed.** Up to fifteen (15) points will be awarded to projects that require no gap financing or has secured funding commitments from more than one funding source other than the Saint Paul HRA sources at the time of application. Sources must be documented with the amount, terms and conditions in writing from the designated contributor. Words synonymous with “consider” or “may” award are not valid or acceptable.
  - (a) No gap financing or 15.1% or more of funding committed. (15 points)
  - (b) 10.1-15% of funding committed. (7 points)
  - (c) 5% -10% of funding committed. (3 points)

2. **Long Term Affordability.**

By applying for the 4% HTC, the owner agrees that the provisions of Section 42(h)(6)(E)(i)(ii) and Section 42(h)(6)(F) of the Code (which provision would permit the owner to terminate the restrictions under this agreement at the end of the compliance period in the event the Saint Paul HRA does not present the owner with a qualified contract for the acquisition of the project) do not apply to the project, and the owner also agrees the Section 42 income and rental restrictions must apply for a period of 30 years beginning with the first day of the compliance period in which the building is a part of a qualified low income housing project. The owner agrees to extend the long-term affordability of the project by agreeing to extend the term of the LURA beyond 30 years by choosing an option below.

- (a) The owner agrees to extend the long-term affordability of the project and maintain the duration of low-income use for a minimum of 40 years (15 points)
- (b) The owner agrees to extend the long-term affordability of the project and maintain the duration of low-income use for a minimum of 45 years (17 points)
- (c) The owner agrees to extend the long-term affordability of the project and maintain the duration of low-income use for a minimum of 50 years (20 points)
