I. Call to Order 3:35pm

II. Saint Paul Preservation Stories

Staff explained that this is intended to be the start of a series the HPC could have that highlights various preservation projects in Saint Paul. Ideally these first two videos would be released as part of some version of a preservation month for the City.

Scheduling can be fluid-as available.

Recording format is open but can be in MS Teams. Staff will add visual content and edit the final recording as needed for the final product.

The overall format of the video is open, be creative.

Goal is for simple 5 to 10 minutes story.

Purpose is to show accessibility of the HPC and preservation success stories.

Commissioners should just have a natural conversation.
