This Agreement is entered into between the City of Saint Paul, hereinafter referred to as the Employer and the International Brotherhood of Electrical Workers, Local 110 hereinafter referred to as the Union.

The Employer and the Union concur that this Agreement has as its objective the promotion of the responsibilities of the City of Saint Paul for the benefit of the general public through effective labor-management cooperation.

The Employer and the Union both realize that this goal depends not only on the words in the Agreement but rather primarily on attitudes between people at all levels of responsibility. Constructive attitudes of the Employer, the Union, and the individual employees will best serve the needs of the general public.

ARTICLE 1 – PURPOSE

- 1.1 The Employer and the Union agree that the purpose for entering into this Agreement is to:
 - 1.1(1) Achieve orderly and peaceful relations, thereby establishing a system of uninterrupted operations and the highest level of employee performance that is consistent with the safety and well-being of all concerned;
 - 1.1(2) Set forth rates of pay, hours of work, and other conditions of employment as have been agreed upon by the Employer and the Union;
 - 1.1(3) Establish procedures to orderly and peacefully resolve disputes as to the application or interpretation of this Agreement without loss of productivity.
- 1.2 The Employer and the Union agree that this Agreement serves as a supplement to legislation that creates and directs the Employer. If any part of this Agreement is in conflict with such legislation, the latter shall prevail. The parties, on written notice, agree to negotiate that part in conflict so that it conforms to the statute as provided by Article 24 (SEVERABILITY).

ARTICLE 2 – RECOGNITION

- 2.1 The Employer recognizes the Union as the exclusive representative for collective bargaining purposes for all personnel having an employment status of regular, probationary, provisional, temporary, and emergency, employed in the classes of positions defined in 2.2 as certified by the Bureau of Mediation Services in accordance with Case No. 73-PR-477-A, dated April 16, 1973.
- 2.2 The classes of positions recognized as being exclusively represented by the Union are as listed in Appendix A.

ARTICLE 3 – EMPLOYER RIGHTS

- 3.1 The Employer retains the right to operate and manage all personnel, facilities, and equipment; to establish functions and programs; to set and amend budgets; to determine the utilization of technology; to establish and modify the organizational structure; to select, direct, and determine the number of personnel; and to perform any inherent managerial function not specifically limited by this Agreement.
 - 3.1(1) Selection of personnel will be based on the merit system defined in the City Charter Section 12.01.
- 3.2 Any “term or condition of employment” not established by this Agreement shall remain with the Employer to eliminate, modify, or establish following written notification to the Union.

ARTICLE 4 – UNION RIGHTS

- 4.1 The Employer shall deduct from the wages of employees who authorize such a deduction in writing an amount necessary to cover monthly Union dues. Such monies deducted shall be remitted as directed by the Union.
- 4.1(1) The Employer shall not deduct dues from the wages of employees covered by this Agreement for any other labor organization.
- 4.1(2) The Union shall indemnify and save harmless the Employer from any and all claims or charges made against the Employer as a result of the implementation of this Article.
- 4.2 The Union may designate one (1) employee from the bargaining unit in each department to act as a Steward and shall inform the Employer in writing of such designation. Such employee shall have the rights and responsibilities as designated in Article 21 (GRIEVANCE PROCEDURE).
- 4.3 Upon notification to a designated Employer supervisor, the Business Manager of the Union, or his/her designated representative shall be permitted to enter the facilities of the Employer where employees covered by this Agreement are working.

ARTICLE 5 – SCOPE OF THE AGREEMENT

- 5.1 This Agreement established the “terms and conditions of employment” defined by M.S. 179A.09, Subd. 19 for all employees exclusively represented by the Union. This Agreement shall supersede such “terms and conditions of employment” established by Civil Service Rule, Council Ordinance, and Council Resolution. Employees represented by this Union are not subject to nor do they have any rights under the Saint Paul Civil Service Rules.

ARTICLE 6 – PROBATIONARY PERIODS

- 6.1 All personnel, originally hired or rehired following separation, in a regular employment status shall serve a one (1) year probationary period during which time the employee’s fitness and ability to perform the class of positions’ duties and responsibilities shall be evaluated.
- 6.1(1) At any time during the probationary period an employee may be terminated at the discretion of the Employer without appeal to the provisions of Article 21 (GRIEVANCE PROCEDURE).
- 6.1(2) An employee terminated during the probationary period shall receive a written notice of the reason(s) for such termination, a copy of which shall be sent to the Union.

ARTICLE 6 – PROBATIONARY PERIODS (Continued)

6.2 Personnel who are assigned to Lead, General Lead or General Lead in Charge positions under the terms of Article 13 (SELECTION OF LEADS, GENERAL LEADS AND GENERAL LEAD IN CHARGE) shall not serve a probationary period and may be reassigned back to a previous classification at the discretion of the Employer.

6.2(1) At any time during the promotional probationary period an employee may be demoted to the employee's previously held class of positions at the discretion of the Employer without appeal to the provisions of Article 21 (GRIEVANCE PROCEDURE).

6.2(2) An employee demoted during the promotional probationary period shall be returned to the employee's previously held class of positions and shall receive a written notice of the reason(s) for demotions, a copy of which shall be sent to the Union.

ARTICLE 7 – PHILOSOPHY OF EMPLOYMENT AND COMPENSATION

7.4 Employees covered by this bargaining agreement shall be paid on the same pay schedule as other City employees.

ARTICLE 8 – HOURS OF WORK

8.1 The normal work day shall be eight (8) consecutive hours per day, excluding a thirty (30) minute unpaid lunch period.

- 8.6 An employee normally working on a particular shift may be transferred from that shift to another shift upon one (1) weeks' notice; provided, however, that in the event of a vacancy, an employee may be assigned to another shift to fill such vacancy upon twenty-four (24) hours' notice.

- 10.2 Employees called back shall receive a minimum of four (4) hours pay at the basic hourly rate. Employees may express a preference for the method of call back payment, however, the basis on which call back payment shall be paid shall be determined solely by the Employer.
- 10.3 The hours worked based on a call-back shall be compensated in accordance with Article 9 (OVERTIME), when applicable, and subject to minimum established by 10.2 above.
- 10.4 Employees called back four (4) hours or less prior to their normal work day shall complete the normal work day and be compensated only for the overtime hours worked in accordance with Article 9 (OVERTIME).

employee out of one of the above classes is not grievable/arbitrable under Article 21 (GRIEVANCE PROCEDURE). It is understood that this clause 13.2 does not apply to employees who were appointed to these classes prior to the signing of the 2000-2003 Agreement. It is understood that the language above does not apply to current incumbents in the title of Senior Electrical Inspector who were appointed to the class prior to the signing of the 2015-2018 agreement.

- 13.3 All “temporary assignments” shall be made only at the direction of a designated Employer supervisor.

No temporary assignment is necessary if the General Lead Electrician is absent for three (3) days or less due to illness or scheduled time off.
- 13.5 The Lead Electrician will be replaced on the first (1st) day of an absence. This provision 13.5 shall not apply to the Water Utility, until and unless the Water Utility employs two non-Lead Journeyman Electricians.

The Senior Electrical Inspector will be replaced only in cases where the class of positions is vacant for more than four (4) normal work days. Such temporary assignments shall be made at the direction of a designated Employer supervisor.

Christmas Day, December 25

- 14.2 When New Year’s Day, Independence Day or Christmas Day falls on a Sunday, the following Monday shall be considered the designated holiday. When any of these three (3) holidays falls on a Saturday, the preceding Friday shall be considered the designated holiday. For those employees assigned to a work week other than Monday through Friday, these three holidays shall be observed on the calendar date of the holiday.
- 14.3 The ten (10) holidays shall be considered non-work days.

ARTICLE 14 – HOLIDAYS (Continued)

- 14.4 If, in the judgment of the Employer, personnel are necessary for operating or emergency reasons, employees may be scheduled or “called back” in accordance with Article 10 (CALL-BACK).
- 14.5 Participating employees, as defined in Articles 12.2, 12.3, and 12.4, assigned to work on Martin Luther King Day, President’s Day, Day after Thanksgiving, or Veteran’s Day, shall be compensated on a straight time basis for such hours worked.
- 14.6 Participating employees, as defined in Articles 12.2, 12.3, and 12.4, assigned to work on New Year’s Day, Memorial Day, Independence Day, Labor Day, Thanksgiving Day or Christmas Day, shall be compensated at the rate of two (2) times the basic hourly rate for all hours worked.
- 14.7 Columbus Day and the day before Christmas Day shall be considered work days. All employees working on these days shall be compensated on a straight time basis.

- 16.2 Failure to make such notification may be grounds for discipline as provided in Article 15 (DISCIPLINARY PROCEDURES).
- 16.3 Failure to report for work without notification for three (3) consecutive normal work days may be considered a “quit” by the Employer on the part of the employee.

ARTICLE 17 – SENIORITY

- 17.1 **Class Seniority:** The length of continuous regular and probationary service with the Employer from the date an employee was first appointed to a class title covered by this Agreement.
- 17.2 Seniority shall not accumulate during an unpaid leave of absence, except when such a leave is protected by law or granted for a period of less than thirty (30) calendar days; is granted because of illness or injury; is granted to allow an employee to accept an appointment to the unclassified service of the Employer or to an elected or appointed full-time position with the Union.
- 17.3 Seniority shall terminate when an employee retires, resigns, or is discharged.
- 17.4 In the event it is determined by the Employer that it is necessary to reduce the work force, all temporary employees shall be released prior to the layoff of permanent employees. Further, it is management's intent that permanent employees will be laid off by class title within each department, based on inverse length of "Class Seniority". However, management reserves the right to institute layoffs out of seniority order for legitimate business reasons. Management's exercise of this right shall not be arbitrary or capricious. If the Union believes that an out-of-order layoff has occurred for an arbitrary or capricious reason, such decision may be grieved under Article 21 (GRIEVANCE PROCEDURE). Recall from layoff shall be inverse order of layoff, except that recall rights shall expire after two (2) years of layoff. This Article shall not be used in place of Article 15 (DISCIPLINARY PROCEDURES) to discharge employees.

ARTICLE 18 – JURISDICTION

- 18.1 Disputes concerning work jurisdiction between and among unions is recognized as an appropriate subject for determination by the various unions representing employees of the Employer.
- 18.2 The Employer agrees to be guided in the assignment of work jurisdiction by any mutual agreements between the unions involved.
- 18.3 In the event of a dispute concerning the performance or assignment of work, the unions involved and the Employer shall meet as soon as mutually possible to resolve the dispute. Nothing in the foregoing shall restrict the right of the Employer to accomplish the work as originally assigned pending resolution of the dispute or to restrict the Employer's basic right to assign work.
- 18.4 Any employee refusing to perform work assigned by the Employer and as clarified by Sections 18.2 and 18.3 above shall be subject to disciplinary action as provided in Article 15 (DISCIPLINARY PROCEDURES).
- 18.5 There shall be no work stoppage, slow down, or any disruption of work resulting from a work assignment.

ARTICLE 19 – SEPARATION AND RETIREMENT

19.1 Employees having a probationary or regular employment status shall be considered separated from employment based on the following actions:

19.1(1) **Resignation:** Employees resigning from employment shall give written notice fourteen (14) calendar days prior to the effective date of the resignation.

19.1(2) **Discharge:** As provided in Article 15 (DISCIPLINARY PROCEDURES).

20.1 All employees shall personally provide themselves with the tools of the trade as listed in Appendix E.

ARTICLE 21 – GRIEVANCE PROCEDURE

21.1 The Employer shall recognize Stewards selected in accordance with Union rules and regulations as the grievance representative of the bargaining unit. The Union shall notify the Employer in writing of the names of the Stewards and of their successors when so named.

21.2 It is recognized and accepted by the Employer and the Union that the processing of grievances as hereinafter provided is limited by the job duties and responsibilities of the employees and shall therefore be accomplished during working hours only when consistent with such employee duties and responsibilities. The Steward involved and a grieving employee shall suffer no loss in pay when a grievance is processed during working hours, provided the Steward and the employee have notified their supervisor to be absent to process a grievance and that such absence would not be detrimental to the work programs of the Employer.

21.3 The procedure established by this Article shall be the sole and exclusive procedure, including the appeal of disciplinary action as provided by Article 15 (DISCIPLINARY PROCEDURES) for the processing of grievances, which are defined as an alleged violation of the terms and conditions of this Agreement.

21.4 Grievances shall be resolved in conformance with one or the other of the following procedures.

ARTICLE 21 – GRIEVANCE PROCEDURE (Continued)

- Step 1. Upon the occurrence of an alleged violation of this Agreement, the employee involved shall attempt to resolve the matter on an informal basis with the employee's supervisor. If the matter is not resolved to the employee's satisfaction by the informal discussion it may be reduced to writing and referred to Step 2 by the Union. The written grievance shall set forth the nature of the grievance, the facts on which it is based, the alleged sections(s) of the Agreement violated, and the relief requested. Any alleged violation of the Agreement not reduced to writing by the Union within seven (7) calendar days of the first occurrence of the event giving rise to the grievance or within the use of reasonable diligence should have had knowledge of the first occurrence of the event giving rise to the grievance, shall be considered waived.
- Step 2. Within seven (7) calendar days after receiving the written grievance a designated Employer supervisor shall meet with the Union Steward and attempt to resolve the grievance. If, as a result of this meeting, the grievance remains unresolved, the Employer shall reply in writing to the Union within three (3) calendar days following this meeting. The Union may refer the grievance in writing to Step 3 within seven (7) calendar days following receipt of the Employer's written answer. Any grievance not referred in writing by the Union within seven (7) calendar days following receipt of the Employer's answer shall be considered waived.
- Step 3. Within seven (7) calendar days following receipt of a grievance referred from Step 2 a designated Employer supervisor shall meet with the Union Business Manager or his/her designated representative and attempt to resolve the grievance. Within seven (7) calendar days following this meeting the Employer shall reply in writing to the Union stating the Employer's answer concerning the grievance. If, as a result of the written response the grievance remains unresolved, the Union may refer the grievance to Step 4. Any grievance not referred to in writing by the Union to Step 4 within seven (7) calendar days following receipt of the Employer's answer shall be considered waived.
- Step 4. If the grievance remains unresolved, the Union may within seven (7) calendar days after the response of the Employer in Step 3, by written notice to the Employer, request arbitration of the grievance. The arbitration proceedings shall be conducted by an arbitrator to be selected by mutual agreement of the Employer and the Union within seven (7) calendar days after notice has been given. If the parties fail to mutually agree upon an arbitrator within the said seven (7) day period, either party may request the Bureau of Mediation Services to submit a panel of five (5) arbitrators. Both the Employer and the Union shall have the right to strike two (2) names from the panel. The Union shall strike the first (1st) name; the Employer shall then strike one (1) name. The process will be repeated and the remaining person shall be the arbitrator.

ARTICLE 21 – GRIEVANCE PROCEDURE (Continued)

- 21.5 The arbitrator shall have no right to amend, modify, nullify, ignore, add to, or subtract from the provisions of this Agreement. The arbitrator shall consider and decide only the specific issue submitted in writing by the Employer and the Union and shall have no authority to make a decision on any other issue not so submitted. The arbitrator shall be without power to make decisions contrary to or inconsistent with or modifying or varying in any way the application of laws, rules, or regulations having the force and effect of law. The arbitrator's decision shall be submitted in writing within thirty (30) days following close of the hearing or the submission of briefs by the parties, whichever be later, unless the parties agree to an extension. The decision shall be based solely on the arbitrator's interpretation or application of the express terms of this Agreement and the facts of the grievance presented. The decision of the arbitrator shall be final and binding on the Employer, the Union, and the employees.
- 21.6 The fees and expenses for the arbitrator's services and proceedings shall be borne equally by the Employer and the Union, provided that each party shall be responsible for compensating its own representative and witnesses. If either party cancels an arbitration hearing or asks for a last minute postponement that leads to the arbitrators making a charge, the canceling party or the party asking for the postponement shall pay this charge. If either party desires a verbatim record of the proceedings, it may cause such a record to be made, providing it pays for the record.
- 21.7 The time limits in each step of this procedure may be extended by mutual agreement of the Employer and the Union.

ARTICLE 22 – RIGHT OF SUBCONTRACT

- 22.1 The Employer may, at any time during the duration of this Agreement, contract out work done by the employees covered by this Agreement. In the event that such contracting would result in a reduction of the work force covered by this Agreement, the Employer shall give the Union a ninety (90) calendar day notice of the intention to sub-contract.
- 22.2 The sub-contracting of work done by the employees covered by this Agreement shall in all cases be made only to employers who qualify in accordance with Ordinance No. 14013.

ARTICLE 23 – NON-DISCRIMINATION

- 23.1 The terms and conditions of this Agreement will be applied to employees equally without regard to, or discrimination for or against, any individual because of race, color, creed, sex, age, disability or because of membership or non-membership in the Union.
- 23.2 Employees will perform their duties and responsibilities in a non-discriminatory manner as such duties and responsibilities involve other employees and the general public.

ARTICLE 24 – SEVERABILITY

- 24.1 In the event that any provision(s) of this Agreement is declared to be contrary to law by proper legislative, administrative, or judicial authority from whose finding, determination, or decree no appeal is taken, such provision(s) shall be voided. All other provisions shall continue in full force and effect.
- 24.2 The parties agree to, upon written notice, enter into negotiations to place the voided provisions of the Agreement in compliance with the legislative, administrative, or judicial determination.

ARTICLE 25 – WAIVER

- 25.1 The Employer and the Union acknowledge that during the meeting and negotiating which resulted in this Agreement, each had the right and opportunity to make proposals with respect to any subject concerning the terms and conditions of employment. The agreements and understandings reached by the parties after the exercise of this right are fully and completely set forth in this Agreement.
- 25.2 Therefore, the Employer and the Union for the duration of this Agreement agree that the other party shall not be obligated to meet and negotiate over any term or conditions of employment whether specifically covered or not specifically covered by this Agreement. The Union and Employer may, however, mutually agree to modify any provision of this Agreement.
- 25.3 Any and all prior ordinances, agreements, resolutions, practices, policies, and rules or regulations regarding the terms and conditions of employment, to the extent they are inconsistent with this Agreement, are hereby superseded.

ARTICLE 26 – CITY MILEAGE

- 26.1 **Automobile Reimbursement Authorized:** Pursuant to Chapter 33 of the Saint Paul Administrative Code, as amended, pertaining to reimbursement of City officers and employees for the use of their own automobiles in the performance of their duties, the following provisions are adopted.

Effective January 1, 2004, when an employee is required to use his/her personal automobile to conduct authorized City business, the City shall reimburse the employee at the then current Federal IRS mileage reimbursement rate on the most direct route.
- 26.3 The City will provide parking at a location and manner of the employer's choice within a reasonable distance of the work site for City employees on the above mentioned type of reimbursement plans who are required to have their personal car available for City business. Such parking will be provided only for the days the employee is required to have his/her own personal car available.

ARTICLE 26 – CITY MILEAGE (Continued)

- 26.4 **Rules and Regulations:** The Mayor shall adopt rules and regulations governing the procedures for automobile reimbursement, which regulations and rules shall contain the requirement that recipients shall file daily reports indicating miles driven and shall file monthly affidavits stating the number of days worked and the number of miles driven, and further require that they maintain automobile liability insurance in amounts of not less than at least the minimums required by the state of Minnesota. These rules and regulations, together with the amendment thereto, shall be maintained on file with the City Clerk.

ARTICLE 27 – LEAVE

- 27.1 **Election to Office:** Section 12.07.5 of the City Charter shall apply to members of this bargaining unit who are elected to City office.

ARTICLE 28 – SAFETY

- 28.1 The Employer and employees shall cooperate in the enforcement of all applicable regulations for the enforcement of job safety. If an employee feels that his/her work duties or responsibilities require such employee to be in a situation that violates state safety laws or legally promulgated standards, the matter shall be immediately looked in to by the Employer.

ARTICLE 29 – LEGAL SERVICES

- 29.1 Except in cases of malfeasance in office or willful or wanton neglect of duty, employer shall defend save harmless and indemnify employee against tort claim or demand whether groundless or otherwise arising out of alleged acts or omission occurring in the performance or scope of the employee's duties.

WORKING CONDITIONS FOR SENIOR ELECTRICAL INSPECTORS AND ELECTRICAL INSPECTORS

As a result of the 1974 settlement, the Parties have established craft-determined rates for Senior Electrical Inspectors and for Electrical Inspectors, with the specific understanding that such agreement is restricted to establishing rates of pay for such classifications.

It is, consequently, agreed that the Employer in applying Article 3 (EMPLOYER RIGHTS) of the Maintenance Labor Agreement, shall have the right to operate the department in the same manner as heretofore, with management rights unaffected, and that the establishment of separate rates for these classifications as well as for Inspector classifications in other Bargaining Units, may not result in disputes over assignments or over rates of pay for work performed, nor will any jurisdictional claims or restrictions be asserted by the Union because members of various Inspector classifications are assigned to work which is also performed by other Inspector classifications.

APPENDIX G

MEMORANDUM OF AGREEMENT BETWEEN

THE CITY OF ST. PAUL

and

ELECTRICAL WORKERS LOCAL #110

This agreement is entered into by and between the City of Saint Paul (City) and the Electrical Workers Local #110 (Union). A similar agreement will be entered into by and between the City and the other Trades unions who represent Senior Trades Inspectors in the City's Office of Licensing, Inspection, and Environmental Protection (LIEP):

The City and the Union agree that if one of the Senior Trades Inspectors in the Construction Division of the Office of LIEP is assigned the additional duties referred to as "Senior Trades Coordinator duties", the payment for assuming these additional duties shall be an additional \$4.00/hour added to the selected individual's total package. This additional \$4.00/hour shall not be included in any of the calculations of the individual's total package.

It is understood that only one of the Senior Inspectors in LIEP will serve in this capacity at any one time, and that the Senior Inspector who is assigned the Senior Trades Coordinator duties will continue to perform all of the Senior Inspector duties already included in the relevant class specification.

This Memorandum of Agreement becomes effective with the signing by the Union of the 2003-2006 Labor Agreement and shall remain in place until and unless it is renegotiated by the parties to this agreement and any other impacted unions.
