- A. Applicant - Court West Business LLC c/o Wellington Management (21-321432)
 Location - 2610 University Ave West
 Zoning - T4
 Purpose: Major Variance
 The zoning code requires that dumpsters for office buildings be located to the rear of a principal building and enclosed by a visual screen. The dumpsters are currently located on the side of the building behind a partial visual screen, for a variance of the location requirement.
- B. Applicant - John Anderson (21-322633)
 Location - 597 7th Street East
 Zoning - I1
 Purpose: Major Variance
 The applicant is proposing to convert a space in this building located in the I1 zoning district to a child care center. The zoning code requires that a child care center located in an industrial district be accessory to a principal use permitted in the district. The proposed child care center would not be accessory to a primary use allowed in this district, for a variance of this requirement.
