

Proof of full vaccination or negative COVID-19 test required here

Effective January 19 (January 26 for ticketed events)

City-licensed businesses and venues serving food and/or beverages consumed indoors on site are required to request all patrons to provide proof of full vaccination or a negative PCR test result for COVID-19 (received within 72 hours of entry) and a photo ID. Photo ID not required for those under 18. Patrons also must wear face covering at all times except when eating or drinking.

Individuals under the age of five are exempt.
