PART A: NEW TRAILHEAD PROJECT

PART B: PICNIC PAVILION IMPROVEMENTS PROJECT

# Phalen Regional Park Improvement Projects

## Project Goals:

The purpose of this two-part project is to improve amenities on both sides of Lake Phalen, functionally and aesthetically, with a new trailhead facility on the east side, and picnic pavilion improvements on the west side. The project will make two unique, but complementary facilities that are a draw for park visitors to gather, rest, socialize, and enjoy the beauty of the Regional Park.
