

## Dayton's Bluff Elementary School, Rec Check, and Online Survey feedback summary

### Site Plan – General Feedback

60% of respondents preferred concept B

- Like the connection to Maple Street
- Like the seating in the middle
- Some people liked 1 centralized seating area

### Site Plan – Other general comments

- The play area seems so exposed right now...the trees and landscaping is nice. Lighting, drinking fountain, and bike repair station would be nice
- Love the communications board

### Equipment – General Feedback

Keep old playground

Don't like the woodchips...like PIP (2 votes)

Would like some brighter colors

Don't like sand

Likes to run

### Equipment likes

Glider (4 votes)  
Shade (2 votes)  
Slides  
Brava Swing (7 votes)  
Fireman pole  
Triple Slide (5 votes)  
Group spinner  
Petal steppers  
Pipe Climber  
Individual spinner  
Monkey bars  
All of it

### Equipment needed

Trampoline  
Tube slide +  
Zip line +  
Overhead spinner  
Tire swing (3 votes)  
Rock climbing (3 votes)  
Merry go round in 5-12 too  
Need a step for the monkey bars  
See saw in 5-12 area  
More activity panels  
Zip line with seat

### Other comments about equipment

- Make sure there is a distinction in age-based equipment
- Need more ground level play
- Would like to be less structured...maybe more open space/sandbox
