P R E A M B L E

This Agreement is entered into between the City of Saint Paul, hereinafter referred to as either the “Employer” or the “City,” and the Saint Paul Supervisors’ Organization, hereinafter referred to as the “Organization”, for the purpose of fostering and promoting harmonious relations between the Employer and the Organization in order that a high level of public service can be provided to the citizens of the City.

This Agreement attempts to accomplish this purpose by providing a fuller and more complete understanding on the part of both the Employer and the Organization of their respective rights and responsibilities.

The provisions of this Agreement shall not abrogate the rights and/or duties of the Employer, the Organization, or the employees as established under the provisions of the Public Employee Labor Relations Act of 1984, as amended.

ARTICLE 1 – RECOGNITION

- 1.1 The Employer recognizes the Saint Paul Supervisors' Organization as the exclusive representative for the White Collar Supervisory Employees of the Professional Group, and certain Unclassified Supervisory Employees, as certified by the State of Minnesota, Bureau of Mediation Services, on December 11, 1973, in BMS Case No. 74-PR-207A and as revised by Unit Clarification proceedings in BMS Case Nos. 74-PR-414-A. and 78-PR-500-A dated April 16, 1977 and December 7, 1977, respectively.
- 1.2 New classifications which are within the scope and definition of the Organization's certification as stated in Article 1.1 above shall be recognized as part of this bargaining unit. Disputes which may arise between the Employer and the Organization over the inclusion or exclusion of any job classifications may be referred by either Party to the Commissioner, Bureau of Mediation Services, State of Minnesota, for determination in accordance with applicable statutory provisions. Determination by the Commissioner shall be subject to such review and determination as is provided by statute and such rules and regulations as are promulgated thereunder.
- 1.3 The Union supports City goals, policies and practices intended to advance race and gender equity, reverse disparity trends and eliminate systemic racism to achieve fair, just and equitable opportunities and outcomes for all people.

ARTICLE 2 – SAVINGS CLAUSE

- 2.1 This Agreement is subject to the laws of the United States and the State of Minnesota. In the event any provision of this Agreement shall be held to be contrary to law by a court of competent jurisdiction from whose final judgment or decree no appeal has been taken within the time provided, such provisions shall be voided. All other provisions shall continue in full force and effect. The voided provision may be renegotiated at the written request of either party. All other provisions of this Agreement shall continue in full force and effect.

ARTICLE 3 – MANAGEMENT RIGHTS

- 3.1 The Organization recognizes the right of the Employer to operate and manage its affairs in all respects in accordance with applicable laws and regulations of appropriate authorities. The rights and authority which the Employer has not officially abridged, delegated, or modified by this Agreement are retained by the Employer.
- 3.2 The employer is not required to meet and negotiate on matters of inherent managerial policy, which include, but which are not limited to, such areas of discretion or policy as the functions and programs of the Employer, its overall budget, utilization of technology, and organizational structure and selection and direction and number of personnel.

ARTICLE 4 – CHECK OFF

- 4.1 The Employer shall deduct the Organization's membership initiation fee assessments and monthly dues from the pay of those employees who individually request in writing that such deductions be made. The amounts to be deducted shall be certified to the Employer by a representative of the Organization and the aggregate deductions of all employees shall be remitted together with an itemized statement to the representative by the first of the succeeding month after such deductions are made or as soon thereafter as is possible.
- 4.2 The Employer shall notify the Organization's President, in writing, of the names and job classifications of employees coming within the established scope and definition of the Organization's bargaining unit through new employment or by promotion.
- 4.3 The Organization shall indemnify and hold the Employer harmless against any and all claims, suits, orders or judgments brought or issued against the Employer as a result of any action taken or not taken by the Employer under the provisions of this article.

ARTICLE 5 – WORK SCHEDULES

- 5.1 All bargaining unit employees are exempt from the overtime pay provisions of the federal Fair Labor Standards Act and similar state legislation as executive or administrative employees and are salaried employees of the City who are not compensated on an hourly basis. The provisions of Section 28H (Overtime Compensation) of the Saint Paul Civil Service Commission Rules shall not apply to employees in this bargaining unit.
- 5.2 The normal work schedule for full-time employees covered by this Agreement shall consist of a minimum of eighty (80) hours within each biweekly payroll period. An employee is generally expected to be working during the normal business hours established by the Employer for the employee's work group, subject to the leave provisions of this Agreement, applicable Civil Service Rules and applicable state and federal statutes. Due to the nature of their work, however, the job duties of persons in this bargaining unit may require the employees to work irregular hours, and work on holidays and weekends. Such work requirements are considered an integral part of the job. Therefore, maintaining consistent starting and quitting times and scheduling specific numbers of hours worked in any day or week may be impossible. Where their assigned duties and responsibilities permit, however, and where their Department Head or Supervisor approves, bargaining unit employees may exercise reasonable and prudent discretion in scheduling or varying the times at which their work is performed.
- 5.3 Employees represented by this bargaining unit are not eligible to accrue compensatory time. The City as a public sector employer will follow all applicable state and federal laws and regulations regarding FLSA-exempt public sector employees.

ARTICLE 5 – WORK SCHEDULES (Continued)

- 5.4 Performance pay means an annual lump-sum payment which does not increase the employee's base salary. The Director of the employee's department, with the approval of the Director of Human Resources, based upon such performance measures as they deem appropriate, may award to an eligible employee performance pay of up to five (5) percent of the employee's base annual salary.

Performance pay may be awarded as recognition for exceptional performance, significant contributions, and substantial accomplishments well beyond normal or regular work responsibilities. Performance pay does not increase the base salary nor serve as a means to give a larger annual increase. Performance pay is given at the discretion of management. Examples of situations where performance pay may be given include significant contribution and/or substantial accomplishment associated with:

- Major projects or initiatives (e.g., system implementation, new program implementation, and audits by certifying agencies, funding agencies, or government agencies)
- Significant cost saving or cost avoidance realized beyond normally expected or established standards
- Extraordinary effort during times of critical department need (e.g., meeting critical deadline that could otherwise have an adverse impact on critical business operations or major project)
- Contribution that clearly and significantly impacts the accomplishment of important and critical business operational goals, deliverables and/or timelines.

Performance pay is not appropriate for:

- Outstanding or excellent performance of ongoing, normal or regular job duties and responsibilities as well as achievements that may be reasonably expected from a staff member. These should be recognized as part of the annual performance and salary review process
- Staff effort or work time that has no significant impact on a major project or initiative, or critical business need
- Recognizing a staff member's long term service, loyalty or commitment
- Accomplishment of personal and career goals, skills and competencies, professional degree, certification, and registration

Documentation that supports the decision to award performance pay is required and must be maintained in the employee's personnel file. The documentation must demonstrate how the employee's performance is aligned with the criteria above. The Department and Human Resources Directors' decisions are not subject to the Article 10 - Grievance Procedure.

- 5.5 For employees who wish to share a position, the Employer will attempt to provide options for implementing a sharing arrangement. Such an arrangement must be mutually agreed upon by the Employer and the employees involved. Vacation, holiday and sick leave benefits for employees who share a position shall be pro-rated based upon the percent of hours worked. Health insurance benefits shall be administered in accordance

ARTICLE 5 – WORK SCHEDULES (Continued)

with the provisions of Article 13 of this Agreement. In the event that one of the employees participating in the shared position is terminated or terminates employment, the Employer shall post the job sharing vacancy for a period of ten (10) days. If, after ten (10) days, such vacancy cannot be filled, the Employer shall have the option of increasing the remaining employee's work hours.

- 5.6 Article 5.5 shall not be subject to the provisions of Article 10 (Grievance Procedure) of this Agreement.
- 5.7 The Employer shall avoid, whenever possible, working an employee on an out-of-class assignment for a prolonged period of time. Any employee working an out-of-class assignment for a period in excess of fifteen (15) consecutive working days during a year shall receive the rate of pay for the out-of-class assignment in a higher classification not later than the sixteenth (16) day of such assignment. For purposes of this Article, an out-of-class assignment is defined as an assignment of an employee to perform, on a full time basis, all of the significant duties and responsibilities of a position different from the employee's regular position, and which is in a classification higher than the classification held by such employee.

The rate of pay for an approved out-of-class assignment shall be the same rate the employee would receive if such employee received a regular appointment to the higher classification.

ARTICLE 6 – SENIORITY

- 6.1 Seniority, for the purposes of this Agreement, shall be defined as follows: The length of continuous, regular and probationary service with the Employer from the date an employee was first certified and appointed to a class title covered by this Agreement, it being further understood that seniority is confined to the current class assignment held by an employee. In cases where two or more employees are appointed to the same class title on the same date, the seniority shall be determined by the employee's rank on the eligible list from which the certification was made.
- 6.2 Seniority shall terminate when an employee retires, resigns, or is discharged.
- 6.3 In the event it is determined by the Employer that it is necessary to reduce the work force, employees will be laid off by class title within each department based on inverse length of seniority as defined above. The Office of Human Resources will identify such least senior employee in the title in which there is to be a lay-off in the department reducing positions, and shall notify said employee of his/her reduction from the department. If there are any vacancies in that title in any other City department, the Office of Human Resources shall place the affected employee in such vacancy. If two or more vacant positions are available, the Office of Human Resources shall decide which vacant position the affected employee shall fill. If no vacancy exists in such title, then the least senior employee in the affected department shall be laid off. For the purpose of this article, the Board of Education is not considered a City department nor is a Board of Education employee considered a city employee.

ARTICLE 6 – SENIORITY (Continued)

- 6.4 If the employee to be laid off as a result of Article 6.3 above is in a title in a promotional series and has held lower titles in the series in this or any other bargaining unit, such employee will be offered a reduction to the highest of these titles within the department to which classification seniority as defined in Article 6.1 above would keep them from being laid off. This Article 6.4 shall not be effective until and unless the St. Paul Professional Employees Association, AFSCME Clerical Local 2508, and AFSCME Technical Local 1842 collective bargaining agreements have corresponding language. Until such corresponding language is included in such bargaining agreements, the provisions of this Article 6.4 shall be applicable only to the extent that such reductions may be offered only to previously held lower titles within the department in the series which are in this bargaining unit.
- 6.5 Recall from layoff shall be in inverse order of layoff, except that recall rights shall expire after two years of layoff. It is understood that such employees will pick up their former seniority date in any class of positions that they previously held.
- 6.6 To the extent possible, vacation periods shall be assigned on the basis of seniority. It is, however, understood that vacation assignment shall be subject to the ability of the Employer to maintain operations.
- 6.7 Effective January 1, 2014, classifications represented by this bargaining unit shall not be subject to promotions rights established by Civil Service Rules 8 and 14.

ARTICLE 7 – NON-DISCRIMINATION

- 7.1 The provisions of this Agreement shall be applied equally by the Employer and the Organization to all employees covered by this Agreement in accordance with applicable city, state and federal law.

ARTICLE 8 – DISCIPLINE

- 8.1 The Employer will discipline employees for just cause only. Discipline may be in any of the forms listed below:
- Oral reprimand;
 - Written reprimand;
 - Suspension;
 - Reduction;
 - Discharge.
- 8.2 All disciplinary actions, except oral reprimands, will be in written form.
- 8.3 Employees and the Organization will receive copies of written reprimands and notices of suspension, discharge and reductions.
- 8.4 Employees may examine all information in their Employer personnel files. Files may be examined at reasonable times.

ARTICLE 8 – DISCIPLINE (Continued)

- 8.5 An employee to be questioned concerning an investigation of disciplinary action shall have the right to have an Organization representative be present during such interview.
- 8.6 Only Written Reprimands, Suspensions, Reductions, and Discharges shall be grievable under the terms of Article 10 – Grievance Procedure. After one (1) year of no discipline from the date of an oral reprimand, said reprimand will not be used against the employee as part of any progressive discipline.
- 8.7 The Organization shall have no obligation or ability to challenge discipline for conduct occurring while an employee is employed in a job classification not represented by the Organization. This limitation does not apply with regard to an employee whose permanent job classification is represented by the Organization and who is serving in another job classification in an “out of title” capacity.

ARTICLE 9 – LEGAL SERVICES

- 9.1 Except in cases of malfeasance in office or willful or wanton neglect of duty, Employer shall defend, hold harmless and indemnify employee against any tort claim or demand, whether groundless or otherwise, arising out of an alleged act or omission occurring in the performance and scope of employee’s duties.
- 9.2 Notwithstanding Article 9.1, the Employer shall not be responsible for paying any legal service fee or for providing any legal service arising from any legal action where the employee is the Plaintiff.
- 9.3 Each employee, after receiving notice of (1) a claim, demand, action, suit or proceeding against him/her, or (2) a judgment, verdict, finding or determination, either of which arises out of alleged or found acts or omissions occurring in the performance or scope of the employee’s duties, shall notify the City Attorney, in writing, of such notice as soon as possible and practical after receiving the notice but in no event later than three (3) business days after receipt thereof.

ARTICLE 10 – GRIEVANCE PROCEDURE

- 10.1 A grievance is defined as a dispute or disagreement as to the interpretation or application of the specific terms and conditions of this Agreement. The procedure established by this Article shall be the sole and exclusive procedure for the processing of grievances arising from this Agreement or arising from terms and conditions of employment in the City of St. Paul Civil Service Rules and Salary Plan and Rates of Compensation. Matters governed exclusively by the Civil Service Rules shall be referred to the Civil Service Commission.
- 10.2 The Employer will recognize representatives designated by the Organization as the grievance representatives of the bargaining unit having the duties and responsibilities established by this Article. The Organization shall notify the Employer in writing of the names of such Organization Representatives and of their successors when designated. The Employer shall notify the Organization in writing as to its designated representatives.

ARTICLE 10 – GRIEVANCE PROCEDURE (Continued)

- 10.3 It is recognized and accepted by the Organization and the Employer that the processing of grievances as hereinafter provided is limited by the job duties and responsibilities of the employees and shall therefore be accomplished during normal working hours when consistent with such employee duties and responsibilities. The aggrieved employee and an Organization representative shall be allowed a reasonable amount of time without loss of pay when a grievance is investigated and presented to the Employer during normal working hours provided that the employee and the Organization Representative have notified and received the approval of designated supervisor and provided that such absence is reasonable and would not be detrimental to the work program of the Employer. It is understood that the Employer shall not use the above limitation to hamper the processing of grievances.
- 10.4 Grievances, as defined by Paragraph 10.1, shall be resolved in conformance with the following procedure:

Step 1 An employee claiming a violation concerning the interpretation or application of this Agreement shall notify the organization as soon as possible. If the Organization determines the claim to have merit, it shall, within twenty-one (21) calendar days after such alleged violation has occurred, be placed in writing setting forth the nature of the grievance, the facts on which it is based, the provision or provisions of the Agreement allegedly violated, the remedy requested, and shall be presented by the Organization to the Employer-designated Step 1 representative. After meeting with the Organization, the Employer-designated representative shall give the Organization the Employer's Step 1 answer in writing within ten (10) calendar days following the meeting with the Organization. Any grievance not appealed in writing to Step 3 by the Organization within ten (10) calendar days of receipt of the Employer's Step 1 answer shall be considered waived.

Step 2 If appealed from step 1, the written grievance shall be presented by the Organization and discussed with the Employer-designated Step 2 representative (Labor Relations). The Employer-designated representative shall give the Organization the employer's answer in writing within ten (10) calendar days after the Step 2 meeting. A grievance not resolved in Step 2 may be appealed to Step 3 within ten (10) calendar days following the Employer-designated representative's final answer in Step 2. Any grievance not appealed in writing to Step 3 by the Organization within ten (10) calendar days shall be considered waived.

Optional Mediation Step

1. If the grievance has not been satisfactorily resolved at Step 3, either the Organization or the Employer may, within ten (10) calendar days, request mediation. If the parties agree that the grievance is suitable for mediation, the Parties shall submit a joint request to the Minnesota Bureau of Mediation Services for the assignment of a mediator. Grievance mediation shall be completed within thirty (30) days of the assignment unless the parties mutually agree to lengthen the time limit.

ARTICLE 10 – GRIEVANCE PROCEDURE (Continued)

2. Grievance mediation is an optional and voluntary part of the grievance resolution process. It is a supplement to, not a substitute for, grievance arbitration. When grievance mediation is invoked, the contractual time limit for moving the grievance to arbitration shall be delayed for the period of mediation.
3. The grievance mediation process shall be informal. Rules of evidence shall not apply, and no record shall be made of the proceeding. Both sides shall be provided ample opportunity to present the evidence and argument to support their case. The mediator may meet with the parties in joint session or in separate caucuses.
4. At the request of both parties, the mediator may issue an oral recommendation for settlement. Either party may request that the mediator assess how an arbitrator might rule in this case.
5. The grievant shall be present at the grievance mediation proceeding. If the grievance is resolved, the grievant shall sign a statement agreeing to accept the out-come. Unless the parties agree otherwise, the outcome shall not be precedential.
6. If the grievance is not resolved and is subsequently moved to arbitration, such proceeding shall be de novo. Nothing said or done by the parties or the mediator during grievance mediation with respect to their positions concerning resolution or offers of settlement may be used or referred to during arbitration.

Step 3 If the grievance remains unresolved, the Organization may within ten (10) work days after the response of the Employer in Step 2, by written notice to the Employer, request arbitration of the grievance. The parties may mutually agree upon an arbitrator to hear and decide the dispute. If, however, the parties are unable to so agree, either of them may request the Bureau of Mediation Services, State of Minnesota (BMS), to provide a list of seven (7) qualified arbitrators from the roster maintained for such purposes by BMS. The Employer and the Organization shall alternately strike names from the list until only one name remains; that of the selected Arbitrator. Unless the parties agree to the contrary, the party who strikes the first name from the list shall be determined by the flip of a coin. Should the parties fail to strike an arbitrator within 21 days of receiving the list of arbitrators from BMS, the party not responsible for the delay may, not less than 24 hours after giving final written notice to the delaying party, select the arbitrator from the BMS list.

- 10.5 The fees and expenses for the arbitrator's services and proceedings shall be borne equally by the Employer and the Organization provided that each party shall be responsible for compensating its own representatives and witnesses.
- 10.6 If either party desires a verbatim record of the proceedings, it may cause such a record to be made, providing it pays for the record. If, prior to the hearing, both parties request a verbatim record of the proceedings the cost shall be shared equally.

ARTICLE 10 – GRIEVANCE PROCEDURE (Continued)

- 10.7 If a grievance is not presented within the time limits set forth above, it shall be considered “waived.” If a grievance is not appealed to the next step within the specified time limit or any agreed extension thereof, it shall be considered settled on the basis of the Employer’s last answer.

If the Employer does not answer a grievance or an appeal thereof within the specified time limits, the Organization may elect to take the grievance to the next step. The time limit in each step may be extended by mutual written agreement of the Employer and the Organization.

- 10.8 A grievance may be initiated by the Organization using either the grievance procedure of this Agreement or by the provisions of the Civil Service Rules of the City of Saint Paul within limitations of 10.1 above.
- 10.9 If a grievance is initiated through this grievance procedure it shall not again be submitted for determination under the Civil Service Rules. If an issue is submitted for determination through the provisions of the Civil Service Rules it shall not again be submitted for arbitration under this grievance procedure.

ARTICLE 11 – WAGES

- 11.1 The wage schedule for the purposes of this Agreement is set forth in Appendix A, which is made a part of this Agreement as if more fully set forth herein.
- 11.2 The salary rates shown in Appendix A reflect the following:
- | | |
|--|---------------|
| Effective January 1, 2021 (or closest pay period): | 1.0% increase |
| Effective January 1, 2022 (or closest pay period): | 2.0% increase |
| Effective July 1, 2022 (or closest pay period): | 0.5% increase |
- 11.3 Increases in compensation shall be paid retroactively to the effective date for individuals employed as of the date of signing of the agreement.

ARTICLE 12 – LEAVES OF ABSENCE

- 12.1 Employees may request paid or unpaid leaves of absence in accordance with the applicable provisions of state and federal law or regulation and Saint Paul Civil Service Rules.
- 12.2 In addition to such leaves of absence as may be granted pursuant to law, regulation or civil service rule, employees may be granted personal leaves of absence without pay or benefits where the Employer’s operation will not be unreasonably disrupted as a result. Personal leaves of absence shall not exceed twelve (12) months in duration and shall be granted in the Employer’s sole discretion which shall not be subject to review under the grievance/arbitration provisions of this Agreement.

ARTICLE 12 – LEAVES OF ABSENCE (Continued)

- 12.3 A full-time employee may be granted up to four hundred eighty (480) hours of voluntary leave of absence without pay during the fiscal year. During such leave of absence, the employee shall continue to earn and accrue vacation and sick leave, seniority credits and maintain insurance eligibility as though he/she was on the payroll. Any leave of absence granted under this provision is subject to the approval of the Department Head.

ARTICLE 13 – INSURANCE

- 13.1 The insurance plans, premiums for coverages and benefits contained in the insurance plans offered by the Employer shall be solely controlled by the contracts negotiated by the Employer and the benefit providers. The Employer will attempt to prevent any changes in the benefits offered by the benefit providers. However, the employees selecting the offered plans agree to accept any changes in benefits which a specific provider implements.
