Like the periscope idea

Concern about long-term maintenance of periscope

Keep picnic area close to the restrooms - water access.

Celebration  
of water on  
site

Separate  
picnic areas is  
nice for  
multiple  
groups

Temporary  
moment of  
rain /  
interaction

Winter -  
create  
icicles as  
sculpture

Pooling water  
and ice or  
mosquito  
concerns

Catchment  
would be rock  
or discourage  
foot traffic
