General Government Accounts

Mission: To budget for services provided on a city-wide basis and not directly associated with a specific department or office.

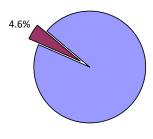

2022 Adopted Budget

General Government Accounts

Department Description:

General Government Accounts represent spending activities that exist across the City, but are not necessarily assignable to a specific department. Functions include the City's share of employee benefits; citywide tort liability costs; city elections; outside legal services; the civic organization partnership program; district councils; support for financial forms and reports used by all city departments; the citywide financial audit; maintenance and upkeep of City Hall; costs of the Charter Commission and Capital Improvement Budget Committee; and resources for citywide innovation and technology investments.

General Government Accounts' Portion of General Fund Spending

Department Facts

• Total General Fund Budget: \$ 14,776,811

• Total Special Fund Budget: \$ 85,367,736

• Total FTEs: 65.94

- Annually receive an "unqualified" opinion on the city financial audit.
- Support 17 citizen participation districts.
- The city occupies 32.2% of the City Hall Courthouse facility.

Department Goals

- Support city-wide functions and initiatives through the proper allocation of resources.
- Ensure that the city-wide fringe benefit budgets fully account for the cost of employee benefits.

Recent Accomplishments

- In 2021, the City received \$83.3 million of American Rescue Plan funding (ARP) from the U.S. Treasury Department. The funds support immediate response to the COVID-19 public health emergency and its negative economic impacts, while laying the groundwork for ongoing efforts to rebuild.
- The City will receive the second half of its ARP allocation in 2022, bringing the total to \$166.6 million.
- The City's priority areas for investment of these funds include: (1) neighborhood safety, (2) housing, (3) works progress, (4) vaccine and public health engagement, (5) modernization of city services, and (6) financial stabilization.
- Managed workers' compensation costs within allocated budgets.
- Working with the City's labor union representatives, city staff have continued to actively manage employee benefit costs.
- Allocations for citywide technology needs provided a financial foundation for investments such as the City's enterprise resource management system and other innovative technology and process improvement projects.

Budget Changes Summary

The budget includes several changes to major general revenues - which are recorded in General Government Accounts - related to the economic impacts of the COVID-19 pandemic. Changes to property taxes, Local Government Aid (LGA), franchise fees, and hotel/motel taxes (among others) are all included in the budget for 2022. See the "Major General Fund Revenues" section for more detail.

The special fund budget makes several investments in the City's technology infrastructure, including continued maintenance of the City's wide area network and local area network. The 2022 budget includes funding for the implementation of several enterprise software products, including cybersecurity, timekeeping, talent management, business networking, and budget management systems. Additionally, the budget includes funding for consultants to assist with an ongoing HR services redesign project, evaluating the City's central service rate structure, and general software implementation support.

The General Government Accounts budget also includes General Fund support for city assessments on tax exempt properties, which are paid for by the City.

ARP Funding: The General Government Accounts grants budget includes 65.94 FTEs and \$81 million in 2022. Please see the American Rescue Plan Act State and Local Fiscal Recovery Funds section for additional information.
