Financial Services

Mission: Manage the City's financial resources and assets to ensure taxpayers' confidence, the organization's effectiveness and the City's fiscal integrity.

2022 Adopted Budget

Office of Financial Services

Department Description:

The Office of Financial Services (OFS) plays a vital role in supporting city operations.

Budget and Innovation prepares, implements and monitors annual operating, debt service and capital budgets; provides fiscal analysis and projections for the Mayor and City Council; champions new ideas to improve results for Saint Paul by providing coaching, management consulting, and guidance via innovation strategies, tools, and initiatives.

Accounting and Business Support ensures that all financial transactions and accounting practices conform to generally accepted accounting principles, state law, and city administrative code and policies; provides business support related to the implementation, administration and maintenance of the City's financial management system.

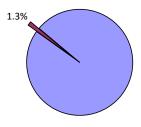

Treasury manages the City's cash resources and invests funds to earn a market rate of return; manages the City's debt portfolio to ensure competitive interest rates and timely repayment; and administers the City's accounts receivable and procurement card functions.

Real Estate Management Services provides property acquisition and disposal services, property management, facility design, space planning, and construction management; facilitates energy conservation efforts; and processes assessment approvals, billings, and collections.

Fleet Management maintains the physical health of the city fleet vehicles through provision of repair, maintenance, management, acquisition, and disposal services.

Office of Financial Empowerment (OFE) improves financial health and community wealth for city residents by advancing economic justice strategies, including: college savings accounts, guaranteed income, fair housing, fine and fee justice, and financial capability programming.
