The applicant is proposing to add a screened-in covered porch addition to the back of the home. This property is located in the R4 zoning district in Planning District 14. In this planning district, the zoning code limits the total lot coverage of all buildings, including accessory buildings to forty (40) percent of the lot or 2,168 square feet. The addition of the proposed porch will result in a lot coverage of 41.3 % or 2,238 square feet, for a variance of 1.3 % or 70 square feet.
