9th year thru 15th year	22 days (.0847)

Years of Service shall be based on original employment date with the City and may include the amount of time worked by an employee at any previous public sector agency or private entity as an Attorney or Law Clerk. This “years of service” credit, if granted, may only be applied to affect vacation accrual and will have no impact on the employee’s seniority or other rights and benefits of employment based on years of service either to the Employee or in the employee’s job classification. Years of Service credits may only be requested and evaluated at the time the Employee initially enters the bargaining unit (within thirty (30) calendar days of start date. For those employees initially hired in 2021, a request must be made within sixty (60) calendar days of start date).

The City Attorney may permit an employee to carry over into the following IRS payroll reporting year up to one hundred twenty (120) hours of vacation. However, if requested by an employee, the City Attorney may, in his/her sole discretion, compensate the employee in cash at the end of each IRS payroll reporting year for any or all hours over one hundred and twenty hours (120) for which the employee requests payment. The payment, if any, shall be at the rate of pay in effect at the time payment is made. Additionally, such payments will only be made if such payments are within the Department’s budget. The decision whether to make such payments shall not be grievable.

HOLIDAY ELIGIBILITY

In order to be eligible for a holiday with pay, an employee must be employed as of the date of the holiday and have paid hours on the payroll for that pay period. For the purpose of this section only, non-holiday hours paid includes hours actually worked, vacation time, compensatory time used, paid leave and sick leave.
