Wheelock Parkway Reconstruction Phase 5 Project Update

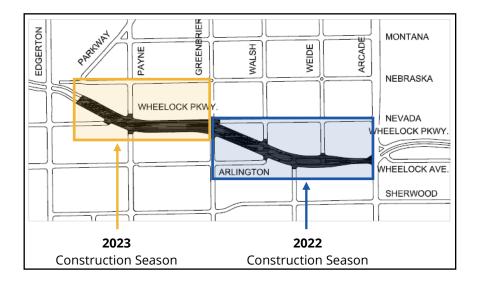

July 27, 2022

Dear Saint Paul Residents,

As you may be aware, a street reconstruction project is scheduled this year for Wheelock Parkway from Edgerton Street to Arcade Street.

Due to unforeseen challenges affecting the supply and delivery of materials, including piping, the project timeline has been extended into 2023:

- Reconstruction of Wheelock Parkway from Greenbrier Street to Arcade Street is scheduled to begin on Monday, August 8, 2022.
- Wheelock Parkway from Edgerton Street to Greenbrier Street will be constructed in 2023.
- Scheduling updates will be posted to the project webpage at stpaul.gov/wheelock.

Please contact Project Manager Chris Engelmann at Chris.Engelmann@ci.stpaul.mn.us or 651-266-6084 with additional questions.

Thank you,

Saint Paul Public Works
