Effective: January 11, 2021

Information about Heritage Preservation Commission (HPC) activities must be publicized in order for people to make well-informed decisions. 2. 100 feet from the property boundary where the project takes place.
3. Notice will go to property owners, identified neighborhood organizations, District Councils and the Ward Council Office in the notice area.
4. Any project on the agenda with an address (public hearings, pre-applications, CLG reviews, Section 106 reviews, Legislative Hearing reviews, etc.) will cause notice to be sent.
5. Appeals of HPC decisions will also cause notice for the City Council meeting.
6. Notice will be sent 16 days prior to the HPC meeting.
7. HPC meeting agenda will be sent via City of Saint Paul Early Notification System (ENS) two weeks prior to the meeting.
