Community Notification for Level III offenders allow parks and recreation centers, schools, churches and daycare facilities to be notified, as well as the community.

While this notice may be disturbing to receive, our intentions are to increase awareness in the community not fear.

We hope that it provides you with the necessary information to educate your family and friends regarding personal safety. Additional information to include crime prevention information will be available at the notification meeting.

*Currently the offenders listed are **not** wanted by the police.*

If you are a property owner receiving this letter, you are required to inform your tenants of this notice in a timely manner.

You can also learn about other predatory offenders in your area by visiting the MN Department of Corrections website at <https://coms.doc.state.mn.us/publicregistrantsearch>.

If you have any questions regarding this community notification, please contact Officer Phil Koski at (651) 266-5617 or Officer Jeremy Doverspike at (651) 266-5871.

Sincerely,

Officer Phil Koski

The *St. Paul Police Department* is releasing this information pursuant to Minnesota Statutes 244.052 and 253D. These statutes authorize law enforcement agencies to inform the public of a public registrant's release from prison or a secure treatment facility when the *St. Paul Police Department* believes that the release of information will enhance public safety and protection.

The individual who appears on this notification has been convicted of Criminal Sexual Conduct or another offense that requires registration with law enforcement pursuant to Minnesota Statutes 243.166 or 243.167.

This individual *has served the sentence* imposed on them by the court and is transitioning into the community. This notification is not intended to increase fear but rather raise awareness. Law enforcement believes that an informed public is a safer public.

The *St. Paul Police Department* may not direct where this individual does or does not reside, nor can this agency direct where he/she works or goes to school.

Those convicted of sexual or predatory offenses have always been released to live in our communities. It was not until the passage of the Registration Act that law enforcement had an ability to track movement of these individuals after their initial release. With the passage of the Community Notification Act law enforcement may now share information about many of these individuals with the public. Abuse of this information to threaten, harass or intimidate a registered individual is unacceptable and such acts could be charged as a crime. Such abuses could potentially end the ability of law enforcement to provide these notifications.
