-  Detour

Construction Update

Volume 4
September 5 - 12 2022

Block	Anticipated Road/Pedestrian Restrictions						Notes
	Sidewalk	Road	Storm Sewer	Signals/ Lighting	Removals	Underground Utility	
7th St Intersection							
7th St to 6th St							
6th St Intersection							
6th St to 5th St							Full vehicle closure starting 8/22.
5th St Intersection							
5th St to 4th St							Access to ramps being maintained through construction.
4th St Intersection							West side of intersection scheduled to open 8/26. East side will close at that time.
4th St to Kellogg Blvd							Closed to traffic. Access to ramps from 4th Street intersection.

WHAT'S HAPPENING?

- Wabasha Street will be reconstructed to replace the roadway pavement, sidewalks, curbs, and underground utilities including water and sewer.
- The Capital City Bikeway will be installed on the west side of Wabasha Street in conjunction with this project.

WHAT TO EXPECT

- **Wabasha St from 5TH St E to 4TH St E** – The south side of this block will be closed. Access to the parking ramps will come from 5TH Street.
- **4TH St Intersection** – Intersection will be fully closed starting September 7TH.
- **Wabasha St from 4TH St E to Kellogg Blvd** – Access from Kellogg to IHG ramp will be reopened on September 6TH.
- **5TH St Intersection** – Partial Closure
- **Lawson Parking Ramp** – 5TH Street access will open on September 7TH when the 6TH Street access will be closed.
