# **Budget Process**

The budget process commences in February and is designed to conform with Minnesota law, the City charter, and the legislative code.

### January - March

The budget for the new year is finalized during this time. This includes preparing and distributing books reflecting the adopted budget. The Office of Financial Services accounting division begins to prepare the Annual Comprehensive Financial Report for the previous year. During this time, the "base budget" for the upcoming year is identified.

## April - June

Forms, instructions, printouts and the Mayor's guidelines are distributed to departments to plan for and develop operating budgets. Department management and staff identify objectives, performance indicators and the resources needed to accomplish goals. Services are reviewed to determine purpose, need, and cost-saving ideas. Department requests for the following year's budget are submitted to the Office of Financial Services in June to be analyzed by the OFS budget staff. The Mayor meets with the department directors to discuss their needs and to ensure budgets meet the service level and taxing objectives established for the City.

### July - September

Budget staff finalize the Mayor's recommendations and produce the Mayor's proposed budget. The Mayor submits the proposed budget to the City Council in August, after which the City Council review process begins. The Council holds meetings with department leadership and staff to obtain a clear understanding of goals, service priorities and objectives represented in the proposed budget. As required by state law, the City Council sets the maximum property tax levy no later than September 30. Governmental units can adjust budgets, resulting in property taxes less than or equal to, but not more than, the maximum levy.

### **October - December**

The City Council holds public hearings on the budget. Ramsey County mails property tax statements to property owners indicating the maximum amount of property taxes they will be required to pay, as well as when the budget and property tax public hearings will be held. State law requires the City to hold a meeting to give residents the opportunity to comment on the information in their notices. This meeting is held in early December. The City Council then adopts a budget and tax levy for the City. The adopted budget represents changes made by the City Council to the Mayor's proposed budget. The Mayor has line-item veto authority over the Council-adopted budget.

#### **Budget Changes Summary**

The 2023 budget for the Library General Fund includes the addition of two Cultural Liaisons to expand Community Services programming focused on Karen, Latinx, and Somali communities and building resilient networks to connect these communities with information, resources, and one another. Additionally, the General Fund adds \$100,000 of collections funding.

The 2022 budget utilized American Rescue Plan Act funds to restore Library FTEs and services reduced in 2021. These FTEs and services have been returned to the Library's General Fund budget in 2023. The 2022 budget also leveraged Community Development Block Grant Cares Act (CDBG-CV) funding for the Career Labs program started in 2020 to help residents experiencing unemployment find work. The 2023 budget returns the FTEs associated with this work to the Library's General Fund.

Library special fund changes reflect increased funding from the Perrie Jones endowment, additional funding from the Friends of the Library to support the Sprockets program and Library interns, as well as shifts to return management of the Sprockets program back to the Parks department. The shift of CDBG-funded employees to the General Fund (mentioned above), and current service level adjustments related to salary and benefits. Changes also include the removal of the Library Services and Technology Act (LSTA) and Wallace Foundation grants which are scheduled to end in 2022. Finally, the 2023 budget reflects a shift of \$320,000 in Local Government Aid to Libraries for the creation of a staffing sub pool to ensure Libraries are adequately and safely staffed.

### City Council RES 22- 1862: Approving and Adopting the Saint Paul Public Library Agency Budget

City of Saint Paul

Signature Copy Resolution: RES 22-1862 City Hall and Court House 15 West Kellogg Boulevard Phone: 651-266-8560

File Number: RES 22-1862

Approving and adopting the Saint Paul Public Library Agency Budget.

WHEREAS, state law and city ordinances require that the Saint Paul Public Library Agency submit an annual budget to the Mayor and City Council; and

WHEREAS, the Saint Paul Public Library Agency Director submitted a budget request to the Mayor for 2023, pursuant to Saint Paul Administrative Code Section 14.05(a); and

WHEREAS, in accordance with Saint Paul Administrative Code Section 14.05(d), Mayor Melvin Carter presented his proposed 2023 budget for the Saint Paul Public Library Agency on August 23, 2022 to the Library Board, and

WHEREAS, the Library Board considered Mayor Carter's recommended budget and made adjustments, as indicated on Attachment A, to said recommended budget, and adopted the Library Agency budget for fiscal year 2023; and

WHEREAS, the City Council considered the budget adopted by the Library Board, and recommended adjustments, if any, as indicated in Attachment A; and

WHEREAS, the Saint Paul Public Library Board has adopted a 2023 financing plan, which includes property tax revenue, as indicated on Attachments A and B, and requests that the Saint Paul City Council certify a 2023 property tax levy on behalf of the Public Library Agency and adopt the 2023 Public Library Agency budget; now, therefore, be it

RESOLVED, that pursuant to the provisions of the City Charter, the Saint Paul Public Library Agency budget for the fiscal year beginning January 1, 2023 as adopted by the Saint Paul Library Agency Board and detailed in Attachment A, is hereby adopted by the City Council; and be it

FINALLY RESOLVED, that the Director of Financial Services is hereby authorized to prepare the final 2023 Library Agency Budgets in accordance with the actions taken herein and to equalize, balance or set the final Library revenue sources and Library appropriations as necessary.

At a meeting of the City Council on 12/7/2022, this Resolution was Passed.

# Glossary

**Account Code:** A five-digit code assigned to a specific type of receipt or expenditure. A major account code is a grouping of expenditures or receipts on the basis of the types of goods or services purchased or rendered. For example, personnel services, materials, supplies, and equipment are major account codes.

**Accounting Unit (AU):** An accounting unit is a subunit of a fund. Each fund contains one or more accounting units, a specific and distinguishable budgetary unit of work or service. Accounting units are detailed levels of budget spending authority created to accomplish the approved objectives of the fund.

**Accounting Unit Number:** An eight (8)-digit number which uniquely identifies the accounting unit. The first digit indicates the fund type, while the second digit indicates the department.

**Allocation:** A portion of a lump sum appropriation which is designated for expenditure by specific organizational units or for special purposes. See Appropriation.

American Rescue Plan Act (ARP): The American Rescue Plan Act, signed into law March 11, 2021, provides \$1.9 trillion in direct economic assistance for American workers, families, small businesses, and industries to address issues related to the COVID-19 pandemic. The ARP creates the Coronavirus State and Local Fiscal Recovery Funds, which provide \$350 billion to address the pandemic's public health and economic impacts and lay the foundation for a strong and equitable recovery.

**Appropriation:** An expenditure authorized by the City Council for a specified amount and time.

**Assessed Valuation:** The value that is established for real estate or other property by a government for use as a basis for levying property taxes.

**Bond:** A written promise to pay a specific sum of money (called the principal amount or face value) at a specified future date (called the maturity date) along with periodic interest at a specified rate.

**Budget Document:** The written record of the comprehensive financial plan the mayor presents to the city council for review, revision if deemed appropriate, and adoption.

Capital Allocation: Assignment of available capital (dollars) to specific uses.

**Capital Expenditure:** Actual spending of capital (dollars) for capital improvement projects.

**Capital Improvement:** The purchase or construction of durable/fixed assets. Examples include streets, bridges, parks or buildings.

**Capital Improvement Budget (CIB):** A plan for capital expenditures (physical development of the city) to be incurred each year, over a fixed number of years, in order to meet capital needs arising from the long-term work program.

**Capital Outlay:** Equipment, machinery, vehicles or furniture items included in the operating budget. See Capital Improvement Budget.

**Capital Projects Fund:** A fund established to account for all financial resources used for the construction or acquisition of major capital facilities, except those financed by special assessment, proprietary or fiduciary funds.

**CIB:** Acronym for capital improvement budget.

**Debt Service Fund:** A fund established to account for the financial resources used for the payment of long-term general obligation debt principal, interest, and related costs.

**Division:** An organizational subunit of a department. Each department has one or more divisions, which are responsible for one or more activities.

**Encumbrances:** Legal commitment of appropriated funds (in the form of purchase orders or contracts) to purchase goods or services to be delivered or performed at a future date. They cease to be encumbrances when paid or when the actual liability is created.

**Enterprise Fund:** A fund established to account for city operations that are financed and operated in a manner similar to private business enterprises. The intent is that the costs (expenses, including depreciation) of providing goods and services on a continuing basis be financed or recovered primarily through user charges.

**ERP:** Acronym for Enterprise Resource Planning, a document and information management system. The City's ERP system is Infor.

**ETI:** Acronym for Enterprise Technology Initiative. This is an activity in the Technology department in which spending and financing for city-wide technology improvements are budgeted.

**Expenditures:** Total charges incurred, whether paid or unpaid, including the provision for retirement of debt not reported as a liability of the fund from which it will be retired, and capital outlays (for governmental funds and fiduciary funds, except non-expendable trust funds).

**Expenses:** Charges incurred, whether paid or unpaid, for operation, maintenance, interest, and other charges which benefit the current fiscal period (for proprietary funds and non-expendable trust funds). See Expenditures.

**Fiduciary Fund:** A fund established to account for resources held for the benefit of parties outside the government.

Financing Plan: Identifies sources of revenues that support the spending plan.

**Full Time Equivalent (FTE):** A personnel position which is financed for the equivalent of 80 hours per pay period, for 26.1 pay periods (a typical year), or 2,088 hours in a year. This is roughly equivalent to 40 hours per week for 52 weeks. For example, a .5 FTE would represent 20 hours per week for 52 weeks, or 40 hours per week for 26 weeks. A 1.0 FTE is a general reference to a position normally working for a year.

**Fund:** Each individual fund is a separate accounting entity having its own assets, liabilities, revenues and expenditures or expenses. City financial resources are allocated to, and accounted for, in individual funds based on legal, donor, or administrative restrictions or requirements.

**Fund Balance:** An equity account reflecting the excess of accumulated assets over accumulated liabilities and reserves (monies set aside for specific purposes).

**Fund Manager:** Fund managers are accountable to and receive authority from their department director and division manager, and ultimately from the mayor, the city council, and city residents/taxpayers. Each fund manager is responsible for correctly preparing and submitting the portion of the city's financial plan that is provided by their fund. This includes a properly completed budget request consisting of performance, spending and financing plans. Fund managers are responsible for monitoring the collection of receipts, authorizing spending payments, cash flow planning, and service delivery in accordance with the adopted plan. Fund managers are also responsible for forecasting significant performance, spending or financing variances, determining their cause, creating a solution, and reporting such

information to their department director and the director of the office of financial services. See Performance Plan, Spending Plan, and Financing Plan.

**Fund Number:** A three-digit number which uniquely identifies the fund. For example, the General Fund is fund number 100, the city grants fund is 200, and the parks and recreation special projects is 260. There is no significance to the sequence of numbers. See Activity Number.

**Fund Type:** A classification of funds by similar purpose. The fund types are: governmental (general, special revenue, debt service, capital project, special assessment), proprietary (enterprise, internal service), and fiduciary (trust and agency funds). Although the city hall annex operating fund and the public works engineering fund are separate funds, they are the same fund type (internal service). See each fund type for its definition. Also see Fund.

**GIS:** Acronym for geographic information system.

**General Fund:** The fund used to account for all financial resources not specifically earmarked for other purposes. The General Fund is the primary operating fund for the City of Saint Paul.

**Governmental Funds:** All funds other than fiduciary and proprietary funds. Includes the general fund, special revenue funds, capital projects funds, debt service funds and special assessment funds. The measurement focus is on spending or financial flow rather than on net income. See Fiduciary Funds and Proprietary Funds.

**Internal Service Fund:** A fund established to account for the financing of goods or services provided by one city department to other city departments, divisions or funds on a cost reimbursement basis.

LGA: Acronym for local government aid. See State Aids.

**MSA:** Acronym for municipal state aids. See State Aids.

**Operating Budget:** The annual operating budget is the primary means by which most of the financing, acquisition, spending and service delivery activities of a government are controlled.

**Operating Transfer In/Out:** Interfund transfers are legally authorized transfers between a fund receiving revenue and a fund where resources are expended.

PED: Acronym for the planning and economic development department.

**Permanent Fund:** A fund established to account for the custody and administration of assets held in a trust capacity. The assets held in a trust fund must be spent or invested in accordance with the conditions of the trust. Expendable trust funds are similar to governmental funds in that the measurement focus is on spending or financial flow rather than on net income. Non-expendable trust funds are similar to proprietary funds, with the measurement focus on determination of net income. See Agency Fund and Fiduciary Fund.

**Proprietary Funds:** Any fund which attempts to determine net income. Measurement focus is on cost of services similar to private sector for-profit organizations. This category includes enterprise and internal service funds.

**Recoverable Expenditure:** An expenditure made for, or on behalf of, another governmental unit, fund, or department, private individual, firm, or corporation which will, subsequently, be recovered in cash or its equivalent.

**Retained Earnings:** An equity account reflecting the accumulated earnings of an enterprise or internal service fund which are not reserved for any specific purpose.

**Special Assessment:** Charges which the local government collects from property owners to pay for specific services or capital improvement projects such as streets, sewers, etc., which benefit a particular piece of real estate.

**Special Fund:** A fund established to account for the proceeds of specific revenue sources (other than special assessments, expendable trusts, and capital projects) that are legally restricted to expenditures for specified functions or activities.

**Spending Plan:** Provides a unit or subunit of an organization with spending authority to pay for the resources required to effectively accomplish the performance plan.

**STAR:** Acronym for sales tax revitalization program.

**State Aids:** The following are the major types of intergovernmental revenues received by the City of Saint Paul from the State of Minnesota:

**Local Government Aid (LGA):** Begun in 1971, this program was designed to provide indirect property tax relief through the redistribution of income tax and sales tax revenues collected at the state level to local units of government. The amount of funding received by local units of government is based on a distribution formula determined by the Minnesota State Legislature. The distribution formula is based on "need" as well as "capacity". The 2001 State Legislature rolled the Homestead and Agricultural Credit Aid into Local Government Aid.

**Municipal State Aids (MSA).** This program is financed by motor vehicle related taxes collected at the state level. The state gasoline tax is the largest revenue source and the dollars collected are constitutionally dedicated for expenses related to MSA routes. The revenues are redistributed back to municipalities of 5,000 or more residents to be used for construction and maintenance of their MSA designated routes.

**Tax Increment Financing (TIF) District:** A TIF district is a designated geographical area where a city is undertaking redevelopment or development activity. Any increase in assessed valuation due to new development activity is captured by the district. Property taxes levied against those captured values are used to finance the public improvement costs incurred to induce the private development activity. Public improvement costs can be financed by issuing bonds or by a pay-as-you-go plan
