

The City of Saint Paul Provides Financial Assistance for Sewer Repairs

Dear Property Owner,

The City of Saint Paul has a Sewer Assessment Program that provides financial assistance to property owners facing expensive sewer repairs. There is no waiting period for approval and participation in the program is voluntary. The fixed interest rate for this program is set by the City Council and is subject to change without notice. For more information regarding the interest rate, please call **651-266-6234**.

Before obtaining a permit for your sewer repairs, your licensed sewer contractor is required to inform you about the Sewer Assessment Program and to submit this document with your signature to the City of Saint Paul. Please provide the information requested below to confirm that your licensed sewer contractor has informed you about the program.

Thank you.

City of Saint Paul Financial Assistance Program (Sewer Assessment Program)

651-266-6234

Program Information

Who is eligible?

- Any City of Saint Paul property owner who owes **no delinquent taxes** on a property in need of any of the following work done.
 - Repair of an existing sanitary sewer service.
 - Replacement of an abandoned or removed sanitary sewer service that is or was located along the alignment of a previously functioning sanitary sewer service. Please note that this program cannot be used for the construction of a new sanitary sewer service along an alignment that previously did not have a functioning sanitary sewer service.
 - Disconnection of a rainleader.
 - Rerouting of a private storm sewer service from the City's sanitary sewer system to the City's storm sewer system.

What are eligible costs?

- Costs (parts, labor, restoration, etc.) deemed necessary for performing any of the work listed above.

How long is the approval and processing time?

- There is no waiting period and financial assistance is available immediately. Please call the City of Saint Paul Sewer Utility at 651-266-6234 for more information.

Is the Program voluntary?

- Yes. Property owners have the option to arrange for private financing.

When is payment due?

- The charges of the work performed will be collected through property taxes over a twenty year period at a fixed interest rate.
- The fixed interest rate for this program is set by the City Council and is subject to change without notice.
- An administrative fee of \$60 is added to the total cost.
- Payment in full can be made any time prior to end of period without penalty.

When does the contractor get paid?

- After the work is completed and all required forms are received and approved by the Sewer Utility, the City's Finance Department processes and mails out a check to the contractor on the property owner's behalf.

Is there more information about the program?

- For more information about the program, please call the City of Saint Paul Sewer Utility at 651-266-6234.
