Neighborhood STAR Application Flowchart

Step 1 — Contact your local district council, neighborhood groups, and city councilperson to discuss your needs and build support for your proposal.

Step 2 — Make sure you have read and meet the eligibility requirements for Applicant and Project listed in Part 2 of STAR Program Guidelines.

Step 3 — Review the application in ZoomGrants to prepare and gather documentation.

Step 4 — Attend or watch the annual STAR workshop to ask questions and gather information to submit a successful application.

Step 5 — Complete your application online with guidance from Parts 3 & 4 of the Neighborhood STAR Program Guidelines.

Step 6 — Consult the FAQ or contact city staff for technical assistance to ensure a complete application.

Step 7 — Submit your application and mail the appropriate fee based on size of request (Part 3 – Application Submission)
