 - 9,500 on Dale
- Largely institutional and single/multi family residential land uses, Selby commercial area, fire house on Ashland

Victoria St

Victoria St

Planned changes

SAINT PAUL
MINNESOTA

STPAUL.GOV

Resurfacing of pavement

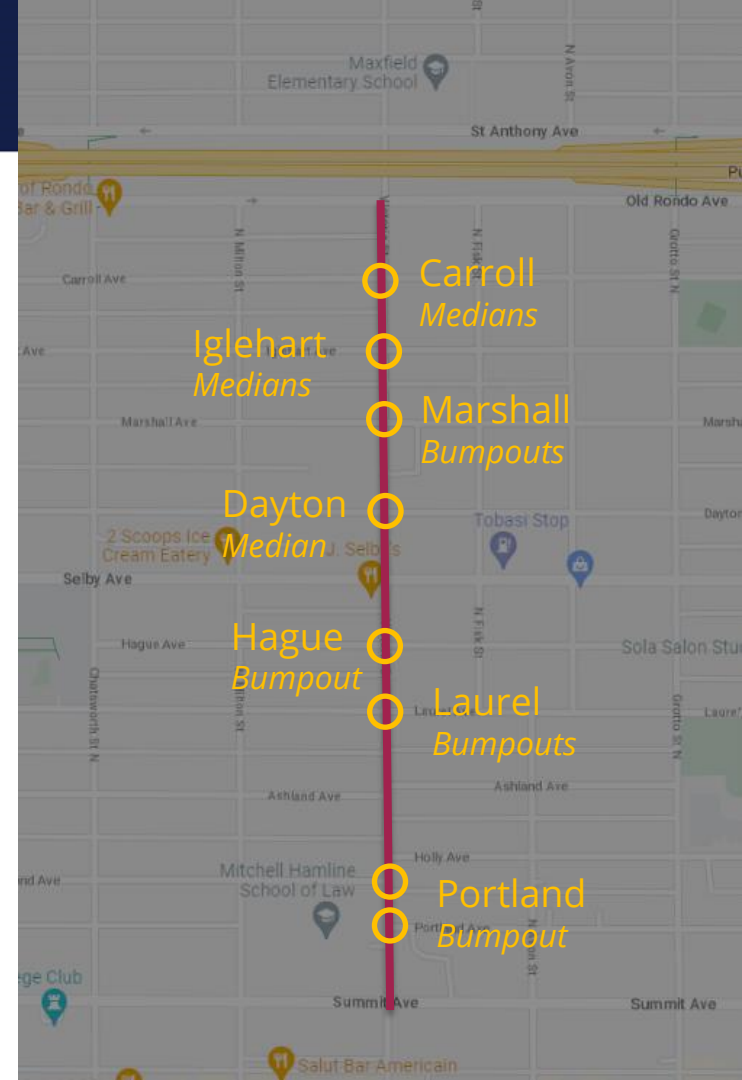

- Often called “mill & overlay”
 - Grind off top two inches of pavement
 - Repave with bituminous asphalt
- Improves ride quality for people driving and biking
- Extends the life of the road without a costly reconstruction

Pedestrian crossing improvements

- Medians & bumpouts
- Narrow the crossings of Victoria
 - Easier to cross – shorter distance
 - Traffic calming – turning vehicles and thru vehicles
 - Improves visibility – highlights the crossing
 - “Daylighting”
- Why these locations?
 - Spacing along the corridor
 - Where there is extra space

SIDE WALK
CLOSED
USE OTHER SIDE
OF STREET

RAMBLER
HIGHWAY
71-2000000

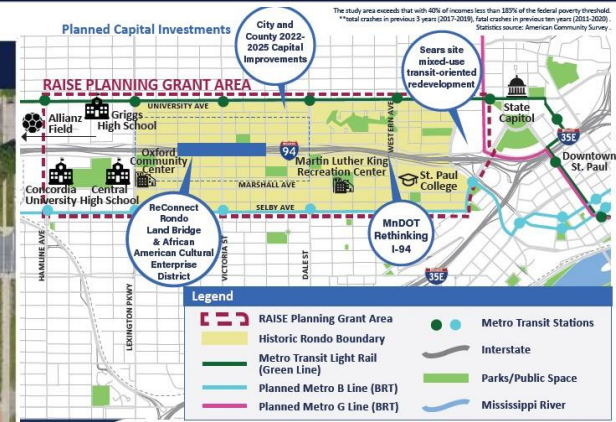

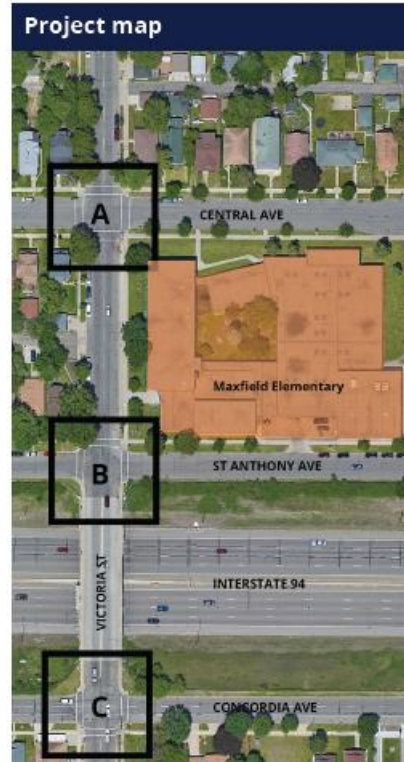

Nearby 2023 projects

- Metro Transit B Line
 - underway
- Maxfield Elementary SRTS
 - underway
- Rondo Neighborhood Streets Improvement Study
 - Planning study to understand all transportation concerns and opportunities across Rondo
