

2023 East Shore Drive Mill and Overlay & Pedestrian Improvements Project

September 27, 2023

Dear Saint Paul Property Owner,

The City of Saint Paul is working to improve the streets in your neighborhood. East Shore Drive from Wheelock Parkway to Larpenteur Avenue will be milled beginning Monday, October 2, weather permitting.

Anticipated Schedule (weather permitting):

- Milling – October 2 & 3
- Paving – October 4 – 6 & 9
- Pedestrian improvements (concrete work) – following mill and overlay

About the mill and overlay process:

Crews will “mill,” or remove approximately two inches of the roadway and then “overlay,” or repave the street with new asphalt. The repaving portion is weather dependent, but the entire process typically takes two to four days per street segment. Road striping will be completed following the repaving.

What you need to do:

- The street will be closed during this work.
- Please follow all posted signs, including “No Parking” signs.
- Cars that are not moved will be ticketed and towed.
- Access to driveways and alleys will be maintained, but there may be temporary access restrictions.
- Please notify tenants/renters/visitors about the project, road closure, and any parking restrictions.

How the project is funded:

The project is funded by bonds and assessments to the abutting property owners. The assessment rate will be posted on the project webpage (stpaul.gov/EastShoreResurfacing) when available.

Project updates:

For additional information, please visit the project website at stpaul.gov/EastShoreResurfacing.

For any questions, please contact Public Works at 651-266-6100 or publicworksinfo@ci.stpaul.mn.us.

Thank you,
Saint Paul Public Works

CITY OF SAINT PAUL
MELVIN CARTER, MAYOR
