

## SNOW PLOWING 2023 - 2024

September 17, 2023

Dear Neighbors of Berkeley, Macalester and St. Clair

My husband SXXX and I will continue to spearhead the alley plowing contract and neighborhood collection this year. Same disclaimer as always below:

*We have also set dates for plowing. In the spring of the year, it does not pay for us to plow when in a few days it will be melting. The season you are paying for is November 1, 2023 through March 31, 2024.*

The contract states the following: We will automatically come out to plow your location if we get 2" or more snow within 12 hours of the snowfall ending. It is the resident's responsibility to mark decorative rock, wood, blocks or plants because once it snows, we cannot see where these are. We need all branches, limbs, brush, etc. trimmed a minimum of 12 inches away from the edge of the alley and 7 feet above the alley to prevent damage to our equipment. Please be sure garbage and recycle cans are not on the edge of the alley. We need to keep the alley plowed as wide as we can.

The price is \$24.00 from each household whether or not you use the alley. We have already paid the contractor for the season and appreciate your timely contribution.

You can either drop off a check/cash in our mailbox or mail it to:
